

Facebook Pages

More than 20 million people connect with Pages every day. Make sure they are connecting with you.

Facebook Pages are a free product for organizations and public figures to connect with people on Facebook in an official, public manner. With over 400 million global users on the site every month, Pages have created more than 5.3 billion connections.

The following guide provides step-by-step instructions to create a basic Facebook Page. Before you get started, below are some key definitions to understand how Facebook Pages work.

Key Definitions

Facebook Page: Pages are for organizations, businesses, celebrities, and bands to broadcast great information to fans in an official, public manner.

Profile/User Account: A Facebook profile is intended to represent an individual person to connect with their friends and share information about their interests.

Administrator: A page administrator, or admin, controls the content and settings of a group and must administer the page via a personal profile.

Applications: A set of Facebook or third-party developed applications that can be added to a profile or page to increase engagement and enhance content.

News Feed: Top News aggregates the most interesting content that your friends are posting, while the Most Recent filter shows you all the actions your friends are making in real-time.

Wall: The Wall is a central location for recent information posted by you and about you. It's where you keep your up-to-date content, and where Fans can contribute.

Publisher: The Publisher lets you share content on Facebook and is located at the top of both your home page, and on your profile.
