**Fair Trade** Jacqueline DeCarlo,2007-05-01 What s wrong with buying regular coffee Does Fair Trade necessarily mean ethical trade What impact can consumers have on global economics Fair Trade A Beginner s Guide reveals why Fair Trade means more than just bananas coffee and chocolate Author and activist Jacqueline DeCarlo explains the principles behind Fair Trade and its development into a powerful economic tool Packed with inspiring ways to make a difference this book will encourage readers of all backgrounds to help end poverty environmental destruction and human exploitation

**Existentialism** Thomas E. Wartenberg,2008-08-01 A lively introduction to this celebrated philosophical tradition Existentialism pervades modern culture yet if you ask most people what it means they won t be able to tell you In this lively and topical introduction Wartenberg reveals a vibrant mode of philosophical inquiry that addresses concerns at the heart of the existence of every human being Wartenberg uses classic films novels and plays to present the ideas of now legendary Existentialist thinkers from Nietzsche and Camus to Sartre and Heidegger and to explore central concepts including Freedom Anxiety and the Absurd Special attention is paid to the views of Simone de Beauvoir and Franz Fanon who use the theories of Existentialism to address gender and colonial oppression **It's Just a Dollar Or Is It?** Denise Chang,2012-02

**Africa** Tom Young,2012-12-01 Vast diverse dynamic and turbulent the true nature of Africa is often obscured by its poverty stricken image In this controversial and gripping guide Tom Young cuts through the emotional hype to critically analyse the continent s political history and the factors behind its dismal economic performance Maintaining that colonial influences are often overplayed Young argues that much blame must lie with African governments themselves and that Western aid can often cause as much harm as good **The World Trade Organization** David Collins,2015-09-03 One of the most important yet least understood organizations in the world the WTO is a lynchpin of globalization allowing us to enjoy products and services from around the globe However it also lays bare the frailty of many industries leading some to claim that it stokes unemployment and harms the developing world In this engaging introduction David Collins examines the goals of the WTO and the difficulties experienced by member countries struggling to adapt to the pressures of globalization Refuting the argument that the WTO should expand its mandate to cover wider social issues Collins demonstrates how this would confuse the organization s primary objective to liberalize international trade With case studies straight from the headlines and clear explanations of complex issues like regional trade agreements and currency manipulation this lucid exposition is an essential insight into what the WTO does and how it fits into the world we know **Psychology** G. Neil Martin,2008-08-07 A riveting exploration of who we are and why we behave the way we do Why do we become aggressive How does the brain allow us to see hear and feel Can listening to Mozart improve IQ How do babies learn to perceive and think How can we reduce obesity and cigarette smoking Is being physically attractive an advantage Psychology the scientific study of the mind and our behaviour has never been more popular From TV experts to the amateur musings of your best

friend the language of psychology has permeated all aspects of everyday life Here Martin reveals that modern psychology concerns far more than the everyday stereotypes of Freud Jung and common sense advice This Beginner s Guide is informed by the latest cutting edge research and provides a vibrant and witty exploration of our senses how our memory works and what determines our intelligence development and personality     Stalin Abraham Ascher,2016-11-03 Joseph Stalin began life as a frail child with an abusive father and an inferiority complex This triggered an early desire for greatness and respect that would eventually turn the young Bolshevik idealist into one of the most ruthless dictators in modern history Like his contemporary Adolf Hitler Stalin was responsible for millions of deaths and inflicted barbaric cruelty on the Soviet people But while Hitler is readily portrayed as a monster Stalin has not been subjected to quite the same level of vitriol In Stalin A Beginner s Guide renowned historian Abraham Ascher analyses new and old sources separating truths from falsehoods to present an unvarnished portrait of the Soviet leader     *Collective Sustainable Consumption* Anna Horodecka,Alina Szypulewska-Porczyńska,2024-06-21 In the face of climate change and resulting environmental and social crises sustainable consumption has become a widely discussed issue and a key plank of the UN s Sustainable Development Goals SDGs The majority of the sustainable consumption research uses the SDG framework but this only serves to reinforce an individualistic efficiency based approach and it does not sufficiently cover the specific situation of transition economies In contrast this volume promotes a collective approach to sustainable consumption and combines general theoretical issues with empirical examples from the Polish economy The first part of the book presents a theoretical approach to collective consumption which has the core concepts of justice and human nature at its heart This approach emphasises the role of collective rationality and categorises aspects of sustainable consumption as a common and public good The second part investigates diversified aspects of sustainability including socio economic inequalities as barriers to sustainable consumption consumer sovereignty in the context of current legal regulations and the impact on employees of changes to the types and conditions of work It also examines the sharing economy and the legal conditions of its development The third part adopts a political perspective focusing on the state policies enhancing the role of investment in public goods analyses photovoltaic programmes which promote prosumption and indicates challenges to sustainability faced by many countries such as the energy crisis sustainable finance and cooperative platforms This book will be of great interest to researchers and scholars interested in sustainability and consumption issues in economics management law public administration and political science     Aquinas Edward Feser,2009-09 One of the most influential philosophers and theologians in the history of Western thought St Thomas Aquinas established the foundations for much of modern philosophy of religion Here Edward Feser argues that you cannot fully understand Aquinas philosophy without his theology and vice versa     **Conservation** Paul Jepson,Richard J. Ladle,2010-02 In this age of unparalleled environmental change the need to preserve our fauna and flora has never been so urgent Fortunately the ceaseless erosion of nature is counterbalanced by the desire of people to do something about it

*Epistemology* Robert M. Martin, 2010-06 What is knowledge How do you know what you know Could you be a brain in a tank getting fed electrical signals How do we know that anyone else exists Epistemology the study of knowledge sets out to answer these and other questions that underpin all philosophical and scientific thought     **Lacan** Lionel Bailly, 2009-04 An introduction to the key concepts and ideas of modern French psychoanalyst and psychiatrist Jacques Lacan     **The Enlightenment** Kieron O'Hara, 2010-02 Blamed for the disasters of the 20th century Auschwitz the Gulags globalisation Islamic terrorism heralded as the harbinger of reason equality and the end of arbitrary rule This book traverses these conflicts presenting the history politics science religion arts and social life of the Enlightenment     **Descartes** Harry M. Bracken, 2010-08 Highlighting how Cartesian thought still influences philosophy ethics and science today Bracken demonstrates the enduring significance of this towering figure in Western philosophy     Civil Liberties Tom Head, 2009-08 Presents a global history of civil liberties discussing what they are and why they are important along with advice on ways to defend civil liberties     **Censorship** Julian Petley, 2009-07 When we think of the word censorship we imagine blacked out words and authoritarian political regimes of the past Offering a potted history of the phenomenon from the execution of Socrates in 399 BC to internet filtering this book provides an impassioned manifesto for freedom of speech     Renaissance Art Tom Nichols, 2010-03 The 15th century saw the evolution of a distinct and powerfully influential European culture But what does the familiar phrase Renaissance Art actually describe Through engaging discussion of timeless works by artists such as Jan van Eyck Leonardo da Vinci and Michelangelo Nichols produces a masterpiece of his own as he explores the truly original and diverse character of the artistic Renaissance Tom Nichols is a lecturer in Renaissance Art History at the University of Aberdeen UK     **Machiavelli** Cary J. Nederman, 2009-01-13 An introduction to the life and philosophy of Italian statesman Niccol Machiavelli that explores his careers as politician and author and discusses his thoughts on heavens nature innovation violence law security liberty reception and reputation     **Volcanoes** Rosaly M. C. Lopes, 2010-12 Volcanoes     Classical Music Julian Johnson, 2009-09 What does classical music mean to the Western World How has it transformed over the centuries This book examines how music is related to some of the big ideas of Western experience including spirituality emotion the weight of history and self identity
