Face To Face With Fidel Conversations With Tomas Borge

Fidel Castro, Tomás Borge

Face To Face With Fidel Conversations With Tomas Borge:

Face to Face with Fidel Castro Fidel Castro, Tomás Borge, 1993 The issues confronting a changing world are frankly discussed in this lively dialogue between two of Latin America's most controversial political figures In this wide ranging conversation Fidel Castro discusses the collapse of the Soviet Union an historical evaluation of Stalin the future of socialism the role of ideas in today's world Cuba's relations with the United States from Kennedy to Bush human rights in the Third World homosexuality literature and music Face to face with Fidel Castro is one of the most important political books to emerge from Latin America in the 1990s Soviet-Cuban Relations, 1985 to 1991 Mervyn J. Bain, 2007-01-01 Soviet Cuban Relations 1985 to 1991 is a comprehensive and critical resource for the study of Soviet foreign policy It analyzes the dynamic relationship between the Soviet Union and Cuba during the Gorbachev era Mikhail S Gorbachev served as the General Secretary of the Communist Party of the Soviet Union between March 1985 and August 1991 leading to significant changes in the Soviet's domestic and international relations Mervyn J Bain analyzes the politics and policies of the Soviet Union's glasnost and perestroika programs Cuba's response to these programs and the subsequent interactions between the two countries Bain updates and contextualizes existing research on Soviet Cuban relations to reinforce the importance of this critical period and its continuing influence on today's world Soviet Cuban Relations 1985 to 1991 is important reading for scholars interested in the complexities of socialist politics and international relations **Castro** Sebastian Balfour, 2013-11-04 The story of Fidel Castro has few parallels in contemporary history None of the outstanding Third World leaders of the twentieth century played such a prominent and restless part on the international stage and none survived as head of state for as long Over almost 50 years he was one of the most controversial political figures in the world and his legacy has yet to be fully evaluated Some of his most cherished plans were realized and are a model for many Third World countries Yet despite enormous sacrifices by Cubans his grand vision remains unfulfilled and its continued pursuit is full of risks The fully revised third edition of this respected political biography provides the first full retrospect of Castro's remarkable career right up to his illness and withdrawal from power in February 2008 incorporating analysis of the renewed crackdown on dissidents in Cuba from the mid 1990s on the major geopolitical reconfiguration of Latin America in the late 1990s and the new Cuban Venezuelan relationship under Hugo Chavez the Helms Burton Act and the continuing US embargo The Cuban economy in the first decade of the new millennium It also revisits earlier events in Castro's career for instance the various assassination plots against him the Cuban missile crisis and the Soviet invasion of Czechoslovakia in the light of documents released by Cuba and the US over the past decade and a half **Becoming Reinaldo Arenas** Jorge Olivares, 2013-04-11 Becoming Reinaldo Arenas explores the life and work of the Cuban writer Reinaldo Arenas 1943 1990 who emerged on the Latin American cultural scene in the 1960s and quickly achieved literary fame Yet as a political dissident and an openly gay man Arenas also experienced discrimination and persecution he produced much of his work amid political

controversy and precarious living conditions In 1980 having survived ostracism and incarceration in Cuba he arrived in the United States during the Mariel boatlift Ten years later after struggling with poverty and AIDS in New York Arenas committed suicide Through insightful close readings of a selection of Arenas s works including unpublished manuscripts and correspondence Olivares examines the writer s personal political and artistic trajectory focusing on his portrayals of family sexuality exile and nostalgia He documents Arenas s critical engagement with cultural and political developments in revolutionary Cuba and investigates the ways in which Arenas challenged literary and national norms Olivares s analysis shows how Arenas drew on his life experiences to offer revealing perspectives on the Cuban Revolution the struggles of Cuban exiles and the politics of sexuality *Fiesta de diez pesos: Music and Gay Identity in Special Period Cuba* Moshe Morad,2016-04-15 The Special Period in Cuba was an extended era of economic depression starting in the early 1990s characterized by the collapse of revolutionary values and social norms and a way of life conducted by improvised solutions for survival including hustling and sex work During this time there developed a thriving though constantly harassed and destabilized clandestine gay scene known as the ambiente In the course of eight visits between 1995 and 2007 the last dozen years of Fidel Castro s reign Moshe Morad became absorbed in Havana s gay scene where he created a wide social network attended numerous secret gatherings from clandestine parties to religious rituals and observed patterns of behavior and communication He discovered the role of music in this scene as a marker of identity a source of queer codifications and identifications a medium of interaction an outlet for emotion and a way to escape from a reality of scarcity oppression and despair Morad identified and conducted his research in different types of musical space from illegal clandestine parties held in changing locations to ballet halls drag show bars private living rooms and kitchens and santer a religious ceremonies In this important study the first on the subject he argues that music plays a central role in providing the physical emotional and conceptual spaces which constitute this scene and in the formation of a new hybrid gay identity in Special Period Cuba

Che Guevara H. Yaffe,2009-02-25 Che Guevara remains an iconic figure four decades after his death Yet his most significant contribution his work as a member of the Cuban government is rarely discussed This book explores his impact on Cuba s economy through fascinating new archival material and interviews **Artless Integrity** Susan E. Babbitt,2002-07-15 This book considers the nature and exercise of moral imagination in situations in which our ability to act and choose meaningfully is limited by unarticulated expectations Moral imagination is a cognitive attitude in which we regard propositions as true But it also involves orientation In moral imagination we regard propositions as true in order to make something else true and we act and interpret as if it were true The demand for explanatory unity in such situations what I call explanatory burden involves self constitution with seeing oneself as a certain sort of person and developing relevant expectations Whereas it is common to define human well being in terms of choice and capacities I suggest that meaningful choice and human capacities are sometimes defined in terms of the actual pursuit and achievement of human

well being I draw upon examples from literature film and historical narrative to suggest that while we think autonomy and agency consist at least in part in taking control we must sometimes be controlled by circumstances and relations in order to occupy an appropriate interpretive perspective for real freedom I consider the implications of this point for such concepts as respect friendship and democracy

Fidel's Ethics of Violence Dayan Jayatilleka, 2007-09-20 Examines Casto's ethical and philosophical standpoint on the use of violence

Chávez, Venezuela and the New Latin America Hugo Chávez Frías, Aleida Guevara March, 2005 This book documents an encounter between Venezuelan President Hugo Chavez and Aleida Guevara daughter of the legendary revolutionary Che Guevara and a prominent figure in the antiglobalization movement Over the course of an extended exclusive interview Chavez explained his fiercely nationalist vision for Venezuela the worldwide significance of the Bolivarian revolution and his commitment to a united Latin America Their conversation which was at times remarkably intimate also covered Chavez's personal political formation and the legacy of Che's ideas and example in Latin America today Included as an appendix is an exclusive interview with Jorge Garcia Carneiro Venezuela's minister for defense who played a key role in defeating the April 2002 coup Today he is in the forefront of the project to transform Venezuela's army into an army of the people

BOOK JACKET *Cuba at the Crossroads* Fidel Castro, 1996 English texts of Castro's speeches given between Nov 25 1994 and April 30 1996 which first appeared in the Cuban weekly Granma International

Mainstream, 1999

People in the News, 1996 David Brownstone, Irene Franck, 1996-05

People in the News, 1995 Macmillan Publishing, David Brownstone, Irene Franck, 1995-05 Presents clear up to date biographical information on a wide selection of the most newsworthy people in the world

Che Guevara and the FBI Michael Ratner, Michael Steven Smith, 1997 Published for the first time are the U S secret police files on the legendary revolutionary Ernesto Guevara showing how the FBI and CIA monitored his movements and activity in the United States Mexico Cuba Africa and Latin America A Freedom of Information Act request succeeded in obtaining the FBI file on Guevara containing a wide selection of CIA and other secret documents With an introduction by the editors U S attorneys Michael Ratner and Michael Steven Smith this book poses the obvious question why did the FBI have such a dossier Che is fairly intellectual for a Latino reads a 1958 CIA document on Guevara during the period of the guerrilla war in Cuba Watched closely after the 1959 revolution Guevara's every public word was recorded and transmitted to the FBI and CIA with particular note taken of his anti U S statements Later documents concern Guevara's disappearance from Cuba in 1965 and his resurfacing in Africa and Bolivia as a guerrilla leader The sensational materials included in these secret files add to suspicions that U S spy agencies were plotting to assassinate Guevara when he was a Cuban government leader in the early 1960s and suggest that they were involved in the pursuit and murder of Guevara in Bolivia in 1967 For all those interested in Che Guevara Washington's relationship with Latin America and the workings of the U S spy agencies this book is a significant new contribution

Jacket

Guantánamo Roger Ricardo Luis, 1994 Having no official land border with any other country the island of Cuba still has

a small piece of territory encircled by barbed wire extensive land mines and occupied by hostile troops under a foreign flag This occupied territory is the U S military base of Guantanamo This book by Cuban journalist Roger Ricardo provides a detailed history of the U S base from the beginning of the century to the present day Documenting alleged violations of Cuban territory originating from the Guantanamo base the author reveals that Cuba has cashed none of the annual rental payments made by Washington Guantanamo The bay of discord presents the arguments by both governments on the control and ownership of the base **Cuba Update** ,1994 People in the News Macmillan Publishing,David Brownstone,Franck,1997-05 This reference covers newsmakers of the prior year Combines biographical and bibliographical information on political and military leaders artists businesspeople writers and more Photos and cumulative index in each volume Island Under Siege Pedro Prada,1995 *Historical Dictionary of Cuba* Jaime Suchlicki,2001 This recently enlarged edition focuses on the events of this last momentous decade while the Cuban regime and its subjects struggle bereft of outside support and subsidy The author has expanded on the recent as well as earlier periods New entries include all Spanish governors and captains general transport and communications and every present day municipio along with Cuba s older administrative divisions Provides a wealth of information from the earliest human settlement to the difficulties of the last decade Also includes several maps detailing such aspects of Cuba as its provinces major highways natural features and railroads **Cuba** Jean Stubbs,Lila Haines,Meic F. Haines,1996 A select annotated bibliography providing a multidisciplinary guide to Cuba a country two thirds the size of Great Britain with some eleven million inhabitants This volume contains an especially diverse selection of topic headings There are the usual listings on topics including geography flora and fauna prehistory and history religion social conditions foreign relations economy finance industry literature sports media and the like In addition there are sections on tourism and travel guides travellers accounts by era revolution slavery and race and women Annotation copyrighted by Book News Inc Portland OR
