

FACING THE CHANGE

PERSONAL ENCOUNTERS
WITH GLOBAL WARMING

"Facing the Change registers the impact of climate destabilization, not only on the sky above us and the earth beneath our feet, but also within our hearts."

*— John Elder, author of *Reading the Mountains of Home**

"...shares the stories of some of the many people who are already witnessing climate change here and now." — May Boeve, Executive Director, 350.org

Facing The Change Personal Encounters With Global Warming:

Facing the Change Steven Holmes, 2013-10-15 Through personal and vivid encounters with climate change this diverse array of writers inspires readers toward awareness and action **Coming of Age at the End of Nature** Julie Dunlap, Susan A. Cohen, 2016-09-19 **Coming of Age at the End of Nature** explores a new kind of environmental writing This powerful anthology gathers the passionate voices of young writers who have grown up in an environmentally damaged and compromised world Each contributor has come of age since Bill McKibben foretold the doom of humanity's ancient relationship with a pristine earth in his prescient 1988 warning of climate change **The End of Nature** What happens to individuals and societies when their most fundamental cultural historical and ecological bonds weaken or snap In **Coming of Age at the End of Nature** insightful millennials express their anger and love dreams and fears and sources of resilience for living and thriving on our shifting planet Twenty two essays explore wide ranging themes that are paramount to young generations but that resonate with everyone including redefining materialism and environmental justice assessing the risk and promise of technology and celebrating place anywhere from a wild Atlantic island to the Arizona desert to Baltimore and Bangkok The contributors speak with authority on problems facing us all whether railing against the errors of past generations reveling in their own adaptability or insisting on a collective responsibility to do better Contributors include Blair Braverman Jason Brown Cameron Conaway Elizabeth Cooke Amy Coplen Ben Cromwell Sierra Dickey Ben Goldfarb CJ Goulding Bonnie Frye Hemphill Lisa Hupp Amaris Ketcham Megan Kimble Craig Maier Abby McBride Lauren McCrady James Orbesen Alycia Parnell Emily Schosid Danna Staaf William Thomas and Amelia Urry **A History of California Literature** Blake Allmendinger, 2015-05-19 Blake Allmendinger's **A History of California Literature** surveys the paradoxical image of the Golden State as a site of dreams and disenchantment formidable beginnings and ruinous ends This history encompasses the prismatic nature of California by exploring a variety of historical periods literary genres and cultural movements affecting the state's development from the colonial era to the twenty first century Written by a host of leading historians and literary critics this book offers readers insight into the tensions and contradictions that have shaped the literary landscape of California and also American literature generally **Dancing with Diana** Jo Salas, 2015-06-01 A bright young man with cerebral palsy has his destiny intertwined with Princess Diana's Visiting a school for disabled boys the future Princess Diana singles out wheelchair bound Alex to dance with a five minute encounter that colors the rest of his life though quickly forgotten by her Alex a survivor of severe school bullying thinks constantly of the tall girl with blue eyes until one day he sees her on television the new fiancée of Prince Charles Alex's story interweaves with Diana's final day before her fatal accident in the late summer of 1997 In the unsatisfying company of her billionaire boyfriend she careens from one luxurious alien Paris location to another tormented by paparazzi All day she tries to reach a friend in London hoping to hear news that will bring a new direction to her life **Dancing with Diana** is a beautifully wrought story that takes us deep into two hard to imagine worlds

Alex a bright young man with cerebral palsy has his destiny intertwined in double helix fashion with Princess Diana The latter we meet in her last few hours and Alex we accompany from childhood through manhood His ungainly yet triumphant progress towards self acceptance and independence has an extraordinary echo in Diana s own brave doomed search for an authentic life This is a very fine book that side steps clichés about celebrity to create a new awareness of Diana and also gives us a startling sense of life lived strongly and meaningfully with cerebral palsy Dan Yashinsky author of Tales for An Unknown City and The Storyteller at Fault

Global Ideas, Local Adaptations Taru Salmenkari,2025-06-09 Exploring the boundaries fringes and inner workings of civil society Taru Salmenkari investigates local forms of political agency in China in light of the globalization of political values practices and institutions She provides a theoretical framework for globalization to examine new forms of governance emerging with non government organizations NGOs and how these have reconfigured social power in China

Creating the Global Classroom Laurence Peters,2022-03-10 The book examines how to begin to think like a global educator first by examining how our own histories and experiences have formed our own cultural and professional identities and second how the varied frames by which global education can be understood pedagogical ideological and cosmopolitan have shaped the field Laurence Peters connects theory and practice about global education relevant to cultivating global awareness in primary and secondary students Rather than seeing global education as a special field separate from the other disciplines the author encourages integration of global perspectives into everything we do Showcasing how global awareness is a developmental issue dependent upon the student s ability to step outside of their own place based comfort zone this volume lays out a roadmap of major challenges and issues around instilling this awareness in students This book connects theory and practice about global education relevant to cultivating global awareness in primary and secondary students From this foundation the book engages with the challenge of integrating global perspectives within a crowded curriculum By convincing students and teachers alike of global education s centrality thinking globally becomes an integral component of learning across subject areas and grade levels and this work encourages students to exercise empathy for the other and to develop critical skills to see through media distortions and fake news so they can better resist the tendency of politicians in our increasingly multicultural countries to divide people along racial and ethnic lines

Poets & Writers ,2008 **Tourism and Climate Change** Susanne Becken,John E. Hay,2007 This book discusses the tourism climate system and provides a sound basis for those interested in tourism management and climate change mitigation adaptation and policy In the first three chapters the book provides a general overview of the relationships between tourism and climate change and illustrates the complexity in four case studies that are relevant to the wide audience of tourism stakeholders In the following seven chapters detailed discussion of the tourism and climate systems greenhouse gas accounting for tourism mitigation climate risk management and comprehensive tourism climate policies are provided This book compiles and critically analyses the latest knowledge in this field of research and seeks to make it accessible to tourism
