Evolutions Rainbow Diversity Gender And Sexuality In Nature And People:

Evolution's Rainbow Joan Roughgarden, 2004 In celebration of the enormous diversity of genders and sexuality found in animals and humans Roughgarden exposes how biology medicine anthropology and Christianity have obstructed the recognition and acceptance of this diversity *Evolution and Human Sexual Behavior* Peter B. Gray, Justin R. Garcia, 2013-04-15 A comprehensive survey of the evolutionary science of human sexual behavior *Evolution and Human Sexual Behavior* invites us to imagine human sex from the vantage point of our primate cousins in order to underscore the role of evolution in shaping all that happens biologically and behaviorally when romantic passions are aroused

Routledge Handbook of Gender and Environment Sherilyn MacGregor, 2017-07-14 The Routledge Handbook of Gender and Environment gathers together state of the art theoretical reflections and empirical research from leading researchers and practitioners working in this transdisciplinary and transnational academic field Over the course of the book these contributors provide critical analyses of the gender dimensions of a wide range of timely and challenging topics from sustainable development and climate change politics to queer ecology and interspecies ethics in the so called Anthropocene Presenting a comprehensive overview of the development of the field from early political critiques of the male domination of women and nature in the 1980s to the sophisticated intersectional and inclusive analyses of the present the volume is divided into four parts Part I Foundations Part II Approaches Part III Politics policy and practice Part IV Futures Comprising chapters written by forty contributors with different perspectives and working in a wide range of research contexts around the world this Handbook will serve as a vital resource for scholars students and practitioners in environmental studies gender studies human geography and the environmental humanities and social sciences more broadly **Queer Ecologies** Catriona Mortimer-Sandilands, Bruce Erickson, 2010-07-14 Treating such issues as animal sex species politics environmental justice lesbian space and gay ghettos AIDS literatures and queer nationalities this lively collection asks important questions at the intersections of sexuality and environmental studies Contributors from a wide range of disciplines present a focused engagement with the critical philosophical and political dimensions of sex and nature These discussions are particularly relevant to current debates in many disciplines including environmental studies queer theory critical race theory philosophy literary criticism and politics As a whole *Queer Ecologies* stands as a powerful corrective to views that equate natural with straight while queer is held to be against nature *Gender and Political Theory* Mary Hawkesworth, 2019-03-05 Western political theory typically incorporates certain assumptions about sex and gender as natural unvarying and pre political This book critically examines these assumptions and shows how recent scholarship undermines the illusion that bodies exist outside politics and beyond the reach of the state Leading political theorist Mary Hawkesworth's cutting edge intersectional account demonstrates how popular conceptions of human nature public and private citizenship liberty the state and injustice relegate women people of color sexual minorities and gender variant people to inferior status despite constitutional

guarantees of equality before the law Hawkesworth argues that traditional political theory has contributed to the perpetuation of pernicious forms of injustice by masking the state's role in the creation of subordinated and stigmatized subjects The book draws insights from critical race feminist postcolonial queer and trans theory to give a compelling original and highly readable introduction to historical and contemporary debates on gender and political theory for students *The End of Gender* Shari L. Thurer, 2013-01-11 Gender isn't what it used to be Categories are collapsing What was deviant for baby boomers has become mainstream for their offspring like the coed who realizes she's bisexual but after a period of adjustment shrugs her shoulders and gets on with her otherwise mundane life Gender as we once understood it is over and gender bending is the new beat Men sport ponytails and earrings and teach nursery school women flaunt tattoos and biceps and smoke cigars In *The End of Gender* Shari L. Thurer argues that we are in the midst of a new sexual revolution It is one where gender categories are blurring not just at the fringes of society but in mainstream lifestyle media fashion and art So why is this cultural phenomenon happening now And what does it mean In lively non technical language and with sometimes surprising case studies from her 25 years as a psychologist Thurer answers these questions bridging complex postmodern theory with cutting edge psychoanalysis Human Evolutionary Biology Michael P. Muehlenbein, 2010-07-29 A wide ranging and inclusive text focusing on topics in human evolution and the understanding of modern human variation and adaptability Nature Sir Norman Lockyer, 2004 **History and Philosophy of the Life Sciences**, 2006 Cardozo Journal of Law & Gender, 2005 **Queen for a Day** Marcia Ochoa, 2005 **Official Meeting Program** Ecological Society of America. Meeting, 2005 **Feminist Periodicals**, 2004 Women's Voices, Feminist Visions Susan Maxine Shaw, Janet Lee, 2009 Women's Voices is an introductory women's studies reader crafted to include a balance of recent contemporary readings with historical and classic pieces This student friendly text provides short accessible readings reflecting the diversity of women's experiences Chapter introductions provide background information on each chapter's topic including explanations of key concepts and ideas and references to the subsequent reading selections This new edition includes revised chapter framework essays that reflect the most up to date research and theory in the field New Scientist, 2009 Talking Book Topics, 2014 Cartography and Geographic Information Science, 2008 **The Georgetown Journal of Gender and the Law**, 2006 *Living in the Shadow of the Cross* Paul Kivel, 2013 *Living in the Shadow of the Cross* exposes how Christian hegemony punishes the poor destroys the environment and contributes to our seemingly endless war on terror This landmark work emphasizes the power of people to build strong movements for resistance Battleground: M-Z Amy Lind, Stephanie Brzuzy, 2008 Whether in the home or in the public arenas of media work sports politics art or religion women often become embroiled as subjects in the political social and cultural debates in America People on all areas of the political landscape see women in diverse and conflicting ways as either too liberated or not liberated enough or whether and how gender and sexual roles are rooted in either biology or culture *Battleground Women Gender and Sexuality* helps readers navigate contemporary

issues and debates pertaining to women's lives in the United States and globally. This work examines how science and culture intertwine to influence how we think about our identities, desires, relationships, and societal roles today. *Battleground Women: Gender and Sexuality* comprises lengthy in-depth discussions of the most timely issues that are debated in today's culture, such as Birth Control, Comparable Worth, Disability and Gender, Glass Ceiling, Immigration, Plastic Surgery, Tattooing and Piercing, Same Sex Marriage, Sexual Assault and Sexual Harassment. Each essay provides a balanced overview of these hot button topics and a list of works for Further Reading after each entry serves as a stepping stone to more in-depth material for students who are writing papers or researching reports.
