Ex Free 9 Keys To Freedom After Heartbreak:

Ex-Free Troy Byer, 2014-08-20 Steve Harvey refers to *Ex Free* author Troy as the Super Hero of healing heartbreak. The process of getting over your ex is exactly that and such a process requires actions beyond crying, gossiping, stalking, ignoring, or avoiding. Such a process demands that you let go of your immobilizing monologues and that you move into transforming dialogues and inquiries that are life altering experiences. In addition to fulfilling the aforementioned process, the 9 Keys in this book will enable you to transform your relationship to pain labels and your circumstances. In order to better understand how you navigate the tumultuous sea of love, these 9 Keys will assist you in finding the sea vessel that best represents you. Once you understand how you were designed, you will also understand the importance of choosing other ships that your ship can inherently relate to and therefore comfortably be in a relationship with. Metaphorically speaking, if you're a slow but steady rowboat personality, the way you navigate the sea in the midst of a storm will vastly differ from that of a thrill-seeking speedboat personality. As a result of this difference, it's inevitable that someone is going overboard. Finally, in addition to identifying and learning about the kind of boat you float on the sea of love, you will also learn of the secret treasures you exchanged with your ex while journeying as one. The surprise is that these very treasures are truly the treasures you have been diving for and nearly willing to die for your entire life. Included in Troy's new version of *Ex Free* is a 21 Day Freedom Action Plan and Journal that will teach you how to claim and forever possess the treasure you hunt.
