An Ex-Heroes Collection Peter Clines, 2016-02-02 A genre bending thriller series from Peter Clines bestselling author of 14 and The Fold In the days after civilization fell to the zombie hordes a small team of heroes including St George Zzzap Cerberus and Stealth does everything they can to protect human survivors Each day is a desperate battle against overwhelming odds as the heroes fight to keep the undead at bay provide enough food and supplies for the living and lay down their lives for those they've sworn to protect But the hungry ex humans aren't the only threats the heroes face Former allies their powers and psyches hideously twisted lurk in the shadows of the ruin that lies everywhere and they may be the most terrifying threat of all Find out whether the heroes survive in this special omnibus edition featuring the first four books in the series Ex Heroes Ex Patriots Ex Communication and Ex Purgatory with an excerpt from the fifth book Ex Isle

Ex-Patriots Peter Clines, 2020-04-02 Book Two in the EX Series It's been two years since the plague of ex humans spread through the world and the last of America's superheroes continue to hold the line against the undead but even they can't hold out forever Hope comes in the form of a military drone bringing news of Project Krypton But will salvation come at a price

Ex-Isle Peter Clines, 2016-02-02 It is an easy thing to rule by fear It's been years since the tidal wave of ex humans washed over the world Since then thanks to St George and his fellow heroes the community known as the Mount has been the last known outpost of safety sanity and freedom left to humanity But even for the Mount survival still balances on a razor's edge and after a disaster decimates the town's food supply the heroes must make a risky gamble to keep its citizens from starving And then the news arrives of a strange man made island in the middle of the Pacific An island populated not just by survivors but by people who seem to be farming raising children living people who like the heroes have somehow managed to keep the spark of civilization alive Paying this place a visit should be a simple goodwill mission but as the island reveals itself to be a sinister mirror image of what the heroes have built at the Mount the cost of their good intentions becomes dangerously high

Ex-Purgatory Peter Clines, 2014-01-14 The fourth novel in Peter Clines bestselling Ex series When he's awake George Bailey is just an ordinary man Five days a week he coaxes his

old Hyundai to life curses the Los Angeles traffic and clocks in at his job as a handyman at the local college But when he sleeps George dreams of something more George dreams of flying He dreams of fighting monsters He dreams of a man made of pure lightning an armored robot a giant in an army uniform a beautiful woman who moves like a ninja Then one day as he s walking from one fix it job to the next a pale girl in a wheelchair tells George of another world one in which civilization fell to a plague that animates the dead and in which George is no longer a glorified janitor but one of humanity s last heroes Her tale sounds like madness of course But as George s dreams and his waking life begin bleeding together he starts to wonder which is the real world and which is just fantasy
