

Introduction to a guest speaker

Ladies and gentlemen, good morning! On behalf of the organizer of this event I want to welcome you on our open forum about Climate change. I am pleased to be with you tonight and to have a chance to introduce our guest speaker. I consider this as an opportunity to hear our guest in person. Our guest speaker for today is a man who really put an effort in this forum. He will be discussing about "Making Alternative Fuel for Cars with least amount of Carbon Dioxide and Monoxide".

Our guest speaker is the president of the Integrated Chemist of the Philippines, who is also working in the Environmental Protection Agency. In 2009, he discovered the Alternative Fuel that will be discussed for today and he was able to present his personal research in Massachusetts Institute of Technology on the same year. Recently, he is working for his another research on minimizing Volatile Organic Compound, a harmful emission that chemical plant generates as a product.

While working in the Chemical Laboratory of the Philippines, he formed a group that will help our planet in preventing Climate Change; he called this group as "Builders of a New World Organization". With his own was group, they organized the last year event the "Run for the Pasig River" which aims to develop the polluted river of Pasig. He was also one of the guest speakers of the prestigious event in Malaysia in the 2011, the "World Energy Outlook Climate Change Excerpt Launch". And recently, he was awarded in the Ramon Magsaysay Award Foundation.

Our guest speaker graduated as "Summa Cum Laude" in Technological Institute of the Philippines with the course of Chemical Engineering in the year of 2005. He was also the top notcher of 2007 board exam for chemical engineers. He earned his Doctorate Degree for chemical engineers in University of the Philippines Diliman and has been published in one of the world's leading papers, the "The New York Times" in the year of 2010. It is undeniable that he will receive these awards for his intelligence and his hard work on his field. And with these awards he was considered as a gem of his institute.

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Example Introguide For A Guestof Honor And Speaker books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Example Introguide For A Guestof Honor And Speaker books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Example Introguide For A Guestof Honor And Speaker books and manuals for download and embark on your journey of knowledge?
