 Morris D. Pollard,2018-12-11 This story has been with me for a long time what the Israelite had to do until Jesus Christ  
 became the sacrifice for us There were cattlemen or ranchers who provide animals for food and wool so this is one of those  
 stories about a family that provided animals to the city for food and the story of a young lad wanting to do the L rd G d s work  
 while he was on this earth He became a rabbi and had a family that became a doctor and rabbi and a housewife who solves  
 mysteries and loves mankind Please note that the words L rd and G d or L rd G d has the O missing because this is a story  
 about the Jewish religion so I give respect to their tradition of leaving the O out of the spelling of these words I am a Gentile  
 and practice the Protestant form of religion and have no Israelite blood or Jewish blood in my veins other than the gaffing  
 into the vine by the blood that was shed on the cross of Calvary Anything that you find that is not right it is an error on the  
 part of the author for I have only the King James Bible and what I glean from the internet websites and the books in my  
 library and the power of the Lord Jesus Christ through the Holy Spirit to guide me This is where this information came from  
 Any name or names that is used in this book is made up to match a person or persons it is assigned to and given as a  
 connection to any person living or dead for this is a work of fiction and has nothing to do with any family living or dead with  
 these names or that time period     **The Mallison Mystery** Thomas W. Hanshew,1903     **The Mystery at Canyon Creek**

Science Fiction ,2001-10     The Mystery of Nine Nunglekpam Premi Devi,2018-06-02 This book deals with the personal  
 experiences and feelings of the author These poems describe the eventful life s journey of the author where she finds life a  
 beautiful blank sheet of waves and whenever she stepped upon her unknowingly trying to overcome the instances The book  
 defines the vast momentum and love of the author where she loves to explore the ardent emotional powers and loves to write  
 about the admiring violent impetus curbing the whole wild nature as well as the unique female cosmos holiness The author  
 describes the experiences she had during her childhood period where she was permanently force to wear the same old school  
 forks shirts and socks and she happily describes the joyous moments when she walk down the street crossing the water filled  
 paddy field deep into the water on the rainy day with those old rubber shoes The book also beautifully highlighted the nature  
 s epitome of unconditional love and how men trample upon through the natures beauty the author seems to describe the  
 numbers of affection developed within her consciousness with the environment There are innumerable instances of the poet s  
 feelings describing the quantum moments of her sisterhood with their sisters and brothers relationship of her emotions

describing how she rules her own self and her kingdom where she beautifully describe her wilderness without egos The book also describes the authors love for the animals rainy seasons and snowy winter and she also hunts for the reasons of the reasoning truth of the society of the humanity and of the self destruction There are beautiful instances where the author express her illusionist moments which she find herself lost into the vast unpredicted desires and effort less to handle but just letting go of all those moments and never giving up of herself remembering little things in her life This book is indeed a beautiful master piece of the writer all sum up in one go
