Before and Beyond the 'Big Society' Joseph Forde, 2022-05-26 John Milbank's theology has shaped much modern political thinking both within and without the Church. In *Before and Beyond the Big Society* Joseph Forde presents the first study devoted exclusively to John Milbank's theology of welfare and how it has influenced policy in the Church of England since 2008. By examining the favourable response the Church gave to the Big Society project in 2010-12, Forde shows that Milbank's Blue Socialist fingerprint increasingly dominates. However, this theology has not evolved in a vacuum and Forde expertly places it in its historical and theoretical context. He offers a detailed critical discussion of Milbank's own critique of what has been the mainstream Temple Anglican theology of welfare in the Church of England since the 1940s and a fresh contribution to the assessment of Anglican social theology. Finally, he demonstrates how Milbank's ideas have been furthered by other influential Anglicans. It is this influence that will carry the greatest implications for the Church of England's policy on welfare going forward, making this study relevant to all who care about its contribution to the provision of welfare. **Mapping**
