The First Life of Bernard of Clairvaux William (of Saint-Thierry, Abbot of Saint-Thierry), Arnaldus (Abbot of Bonneval), Geoffrey (of Auxerre), 2015 The First Life of Bernard of Clairvaux traditionally known as the Vita Prima originated to prepare the case for canonization of Bernard first abbot of Clairvaux The work was begun by William of Saint Thierry continued by Arnold of Bonneval and completed by Geoffrey of Auxerre When the initial case put forth for Bernard was rejected by Innocent II Geoffrey undertook a revision of the original vita Recension A and submitted another version Recension B to Pope Alexander III who declared Bernard a saint in 1174 This work emphasizes the deep love in which Bernard was held during his life by his monks and the people of France and Italy as well as his role as a powerful public figure This book contains the first English translation of Recension B drawn from what is apparently the only manuscript of the work found today in a Cistercian monastery Mount Saint Bernard Abbey The introduction begins with the story of how this manuscript came to Mount Saint Bernard so fixing this translation of the Vita prima within Cistercian life from the twelfth century to today

Bernard of Clairvaux Saint Bernard (of Clairvaux), 2004 Two lengthy letters from the abbot of Clairvaux illuminate the transition in theological method in the mid twelfth century In this letter to the bishop of Sens on the responsibilities of his office Bernard articulates his monastic conviction that authority in the Church must be accompanied by contemplative virtues especially a deeply ingrained humility Pastors who do attend to their own spiritual health he explains are incapable of caring for others In his letter of baptism written to Hugh of Saint Victor Bernard seeks to refute what he considered the doctrinal error of an unnamed scholar likely Peter Abelard and assails a theological method he deemed likely to mislead the faithful because as Emero Stiegman says in the Introduction he considered all theological questions in the perspective of God's love These two letter treatises 42 and 77 are not included in Bruno Scott James English translation of The Letters of Saint Bernard of Clairvaux

La Patera Christian Berger, 2025-02-25 Arnaud Calvez was born in Dinan in Brittany the son of a spice merchant But he longed for more than a quiet life in his father's footsteps he wanted to see the Holy Land So at the age of sixteen he joins the Christian order of the Knights Templar and follows their call to defend Jerusalem in 1185 In this exciting journey through the High Middle Ages he not only finds a new faith but also love and a bowl that would change the fate of mankind forever

On the Song of Songs Bernard de Clairvaux ((saint ;), Saint Bernard (of Clairvaux), 1980

The Family that Overtook Christ Father M. Raymond (O.C.S.O.), 2008 Bernard of Clairvaux was called the voice of his century His influence towered above that of his contemporaries People flocked to him some out of wonder and others out of curiosity all of them drawn by his spiritual magnetism Who or what fashioned Bernard into an advisor of popes and healer of schisms How can we account for his great following of holy religious men and women for his profound spiritual doctrine

Bernard was a product of God's grace working both in himself and in the extraordinary family to which he belonged. This book is the fascinating account of that family. With warmth and realism Saint Bernard steps out of these pages together with his parents Venerable Tescelin and Blessed Alice and his brothers and sisters all of whom have been declared blessed. A contextual portrait of St Bernard of Clairvaux along with Pope Pius XII's encyclical letter on the Doctor of the Church Saint Bernard of Clairvaux, a dominant figure in the history of the Catholic Church and the last of the Church Fathers, died in his monastery in Burgundy on August 20, 1153. In commemoration of the eighth centenary of his death, Pope Pius XII issued one of his most significant encyclical letters, *Doctor Mellifluus*, which Thomas Merton presents here together with an introduction to the life and teachings of the great mystic. The essence of Saint Bernard's doctrine, Father Merton writes, is nothing else but the spiritual peace distilled in monasticism, and it is one of the purest and most authentic sources of Catholic tradition. Pius's encyclical letter draws on that doctrine to bring the highest spiritual perfection within reach of all Christians. Praise for *The Last of the Fathers*: A study that will have to be on the shelves of all libraries and in the personal collections of all who are interested in spirituality. Merton has provided an exquisite spiritual and intellectual setting for the jewel of the Encyclical by Pope Pius XII. Catholic World. **On Grace & Free Choice** Saint Bernard (of Clairvaux), 1988.
