

The background of the book cover is a complex, layered illustration. It features a dark teal background with a large, stylized map of a coastal region. The map includes a prominent bay or harbor area with a city built on a peninsula. A large, white, angular shape, resembling a torn piece of paper or a stylized landmass, is superimposed over the map. The map itself is composed of various shades of blue, green, and white, representing water, land, and urban areas. The overall aesthetic is modern and technical, reflecting the book's focus on geographical information systems.
