Elusive Hunters The Haddad Of Kanem And The Bahr El Ghazal:

Elusive Hunters Ida Nicolaisen, 2010 This is an account of a remarkable nomadic people in the heart of West Africa presumably the only hunting and foraging community to withstand its bloody legacy of slave raiding colonisation warfare and environmental degradation Rich in detail epic in scope Ida Nicolaisen's evocative book on the Haddad recreates the essence of nomadic existence from prehistoric times through the ups and downs of Sudanese Empires to our times Based on fieldwork among the Haddad and a meticulous reading of the scanty sources on the cultures of Northern Chad the author offers a fascinating description of the every day life subsistence strategies knowledge poetry and music of this little known people The book takes the reader on hunting expeditions with one group that chases gazelle and antelope into cleverly placed traps of nets it describes how hunters of another group crawl up on their prey in disguise with bow and arrow as Saharan rock paintings tell us pre historic man did in the region Ida Nicolaisen's scientific precision informs her analysis of the complex multi ethnic setting of which the economic and social life of the Haddad form part and her insights into the traumatic implications of the history of the region on their lives The continued existence of hunting and foraging communities in West Africa has so far gone unnoticed By adding this valuable material on the indigenous Haddad to the puzzle Ida Nicolaisen's book seeks to stimulate the interest of scholars and to encourage in the public a wider and more sophisticated reading of African history culture and social issues

Among Herders of Inner Mongolia Christel Braae, 2017-10-20 This is a study of a unique collection of Inner Mongolian artifacts at the National Museum of Denmark They are described analyzed and presented in a catalogue of more than 800 items documenting the daily life of pastoral society in and around the tent in the herding of the animals in caravan trade and in hunting crafts sports and games and in ritual life Information about the objects was obtained during two expeditions to Inner Mongolia in the 1930s led by the Danish author Henning Haslund Christensen who had many years experience of travel and expedition life in Mongolia This is also a detailed account of the expeditions of the routes means and measures as well as the worries and hopes of the participants of their struggles with scientific aspirations and of the conditions for collecting against the backdrop of the Chinese civil war and the Japanese occupation The First and Second Danish Expeditions to Central Asia took place in 1936 1937 and 1938 1939 respectively These expeditions were the sole foreign parties with access to the area at the time and therefore their members were among the few observers of Inner Mongolian pastoral society at a time and place for which information was and still is scant and fragmented Hence the material objects and data obtained are of great scientific importance in the documentation of the life and material culture of Inner Mongolian herders in the 1930s the main subject of the present book **The Oxford**

Handbook of the Archaeology and Anthropology of Hunter-gatherers Vicki Cummings, Peter Jordan, Marek Zvelebil, 2014 This book provides a comprehensive review of hunter gatherer studies undertaking detailed regional and thematic case studies that span the archaeology history and anthropology of hunter gatherers concluding with an in depth

review of the main opportunities research questions and moral obligations that lie ahead *Burials, Migration and Identity in the Ancient Sahara and Beyond* M. C. Gatto, D. J. Mattingly, N. Ray, M. Sterry, 2019-02-14 Places burial traditions at the centre of Saharan migrations and identity debate with new technical data and methodological analysis *The Languages and Linguistics of Africa* Tom Güldemann, 2018-09-10 This innovative handbook takes a fresh look at the currently underestimated linguistic diversity of Africa the continent with the largest number of languages in the world It covers the major domains of linguistics offering both a representative picture of Africa s linguistic landscape as well as new and at times unconventional perspectives The focus is not so much on exhaustiveness as on the fruitful relationship between African and general linguistics and the contributions the two domains can make to each other This volume is thus intended for readers with a specific interest in African languages and also for students and scholars within the greater discipline of linguistics

Language Isolates Lyle Campbell, 2017-10-03 Language Isolates explores this fascinating group of languages that surprisingly comprise a third of the world s languages Individual chapters written by experts on these languages examine the world s major language isolates and language isolates by geographic regions with up to date descriptions of many including previously unrecorded language isolates Each language isolate represents a unique lineage and a unique window on what is possible in human language making this an essential volume for anyone interested in understanding the diversity of languages and the very nature of human language Language Isolates is key reading for professionals and students in linguistics and anthropology *Landscapes and Landforms of the Central Sahara* Jasper Knight, Stefania Merlo, Andrea Zerboni, 2024-01-02 This book describes the Central Sahara region bringing together an unprecedented combination of diverse and often historic research published in different languages in order to describe its varied landscapes and landforms The Central Sahara region consists of Libya Algeria Mali Niger and Chad countries that share similar landscape histories and common landscape traits including massifs sand seas paleowater features and large depressions Furthermore human settlement of this region goes hand in hand with climate and environmental changes and landscape evolution during the Holocene and earlier hence Central Saharan landscapes and landforms provide valuable insights into landscape human relationships over long timescales The book offers a comprehensive yet accessible reference source drawing on both past and present interdisciplinary research and gathering the insights of authors from many different countries to explore a region that has largely been overlooked in available literature **The Writers Directory**, 2013
