This is the latest edition of the NIOSH Pocket Guide to Chemical Hazards and presents information taken from the NIOSH OSHA Occupational Health Guidelines for Chemical Hazards from the National Institute for Occupational Safety and Health, NIOSH criteria documents, and Current Intelligence Bulletins and from recognized references in the fields of industrial hygiene, occupational medicine, toxicology, and analytical chemistry. The information is presented in tabular form to provide a quick, convenient source of information on general industrial hygiene practices. The information in the Pocket Guide includes chemical structures or formulas, identification codes, synonyms, exposure limits, chemical and physical properties, incompatibilities, and reactivities, measurement methods, respirator selections, signs and symptoms of exposure, and procedures for emergency treatment. The information assembled in the original 1978 printing of the Pocket Guide was the result of the Standards Completion Program, a joint effort by NIOSH and the Department of Labor to develop supplemental requirements for the approximately 380 workplace environmental exposure standards adopted by the Occupational Safety and Health Administration (OSHA) in 1971. Following are changes that were made for this edition: 2005: 149 of the Pocket Guide. New layout for the Chemical Listing section. Recommendations for particulate respirators have been revised to incorporate Part 84 terminology. See Recommendations for Respirator Selection on page xiv for a more thorough explanation of these changes. The Synonym and Trade Name Index has been expanded. This index is now called the Chemical Synonym and Trade Name Index, page 383. Some ID and Guide Numbers were changed to reflect changes made in the 2004 Emergency Response Guidebook. <http://hazmat.dot.gov/pubs/erg/guidebook.htm> Appendix E, page 351, has been revised. It now contains OSHA respirator requirements for 28 chemicals or hazardous substances that were identified in the preamble to the OSHA Respiratory Protection Standard, 29 CFR 1910.134.
