Intercultural Communication and Public Policy Iheanacho, Ngozi,2016-07-25 As there are different

racess and people in the world so there are different cultures meaning that cultural diversity is inevitable Through human contact and association cultures meet In such meetings every individual and culture projects itself as worthy and should be held in high esteem In today s world it is not encouraging to be ethnocentric always taking action or in actions that crystallize and project a feeling of one s own culture or racial superiority Such attitude obstructs meaningful interaction human relations tolerance and co operation Conversely the skill and ability to tolerate and communicate effectively with people from diverse cultures is a social activity which begins from thought to behaviour in both spoken and non spoken versions The book contains 19 essays structured into five parts The Global Intercultural Communication Reader Molefi Kete Asante,Yoshitaka Miike,Jing Yin,2013-06-26 The Global Intercultural Communication Reader is the first anthology to take a distinctly non Eurocentric approach to the study of culture and communication In this expanded second edition editors Molefi Kete Asante Yoshitaka Miike and Jing Yin bring together thirty two essential readings for students of cross cultural intercultural and international communication This stand out collection aims to broaden and deepen the scope of the field by placing an emphasis on diversity including work from authors across the globe examining the processes and politics of intercultural communication from critical historical and indigenous perspectives The collection covers a wide range of topics the emergence and evolution of the field issues and challenges in cross cultural and intercultural inquiry cultural wisdom and communication practices in context identity and intercultural competence in a multicultural society the effects of globalization and ethical considerations Many readings first appeared outside the mainstream Western academy and offer diverse theoretical lenses on culture and communication practices in the world community Organized into five themed sections for easy classroom use The Global Intercultural Communication Reader includes a detailed bibliography that will be a crucial resource for today s students of intercultural communication **The SAGE Encyclopedia of Intercultural Competence** Janet M. Bennett,2015-03-23 In 1980 SAGE published Geert Hofstede s Culture s Consequences It opens with a quote from Blaise Pascal There are truths on this side of the Pyrenees that are falsehoods on the other The book became a classic one of the most cited sources in the Social Science Citation Index and subsequently appeared in a second edition in 2001 This new SAGE Encyclopedia of Intercultural Competence picks up on themes explored in that book Cultural competence refers to the set of attitudes practices and policies that enables a person or agency to work well with people from differing cultural groups Other related terms include cultural sensitivity transcultural skills diversity competence and

multicultural expertise What defines a culture What barriers might block successful communication between individuals or agencies of differing cultures How can those barriers be understood and navigated to enhance intercultural communication and understanding These questions and more are explained within the pages of this new reference work Key Features 300 to 350 entries organized in A to Z fashion in two volumes Signed entries that conclude with Cross References and Suggestions for Further Readings Thematic Reader's Guide in the front matter grouping related entries by broad topic areas Chronology that provides a historical perspective of the development of cultural competence as a discrete field of study Resources appendix and a comprehensive Index The SAGE Encyclopedia of Intercultural Competence is an authoritative and rigorous source on intercultural competence and related issues making it a must have reference for all academic libraries

Communicating in the Third Space Karin Ika, Gerhard Wagner, 2008-10-05 Communicating in the Third Space aims to clarify Homi K Bhabha's theory of the third space of enunciation by reconstructing its philosophical sociological geographical and political meaning with attention to the special advantages and ambiguities that arise as it is applied in practical as well as theoretical contexts The idea of third space conceives the encounter of two distinct and unequal social groups as taking place in a special third space of enunciation where culture is disseminated and displaced from the interacting groups making way for the invention of a hybrid identity whereby these two groups conceive themselves to partake in a common identity relating to shared space and common dialogue The essays collected in Communicating in the Third Space including a preface by Bhabha himself brilliantly introduce readers to this exciting topic in Cultural and Post Colonial theory and offers insightful elaboration and critique of the meaning and relevance of life in the third space With a preface by Homi K Bhabha

Manual for Developing Intercultural Competencies (Open Access) Darla K. Deardorff, 2019-08-16 This book presents a structured yet flexible methodology for developing intercultural competence in a variety of contexts both formal and informal Piloted around the world by UNESCO this methodology has proven to be effective in a range of different contexts and focused on a variety of different issues It therefore can be considered an important resource for anyone concerned with effectively managing the growing cultural diversity within our societies to ensure inclusive and sustainable development Intercultural competence refers to the skills attitudes and behaviours needed to improve interactions across difference whether within a society differences due to age gender religion socio economic status political affiliation ethnicity and so on or across borders The book serves as a tool to develop those competences presenting an innovative adaptation of what could be considered an ancient tradition of storytelling found in many cultures Through engaging in the methodology participants develop key elements of intercultural competence including greater self awareness openness respect reflexivity empathy increased awareness of others and in the end greater cultural humility This book will be of great interest to intercultural trainers policy makers development practitioners educators community organizers civil society leaders university lecturers and students all who are interested in developing intercultural
