Explanation Of The Ten Commandments:

The Ten Commandments Patrick D. Miller, 2009-08-06 In this volume Patrick D Miller studies the Ten Commandments as ancient document and as contemporary guide With careful attention to each commandment in its original context this book shows the reader the modern relevance of these basic principles as well as how the ideas of each commandment influenced the New Testament More than an intellectual exercise The Ten Commandments applies the call of the commandments to modern day issues Westminster John Knox Press is proud to introduce an exciting new phase in the renowned Interpretation commentary series Instead of focusing on individual books of the Bible these new volumes will focus on the Bible s most enduring passages and most vital themes bringing to these topics the insight and faithful wisdom that are longtime hallmarks of the Interpretation series This expanded Interpretation series will be an excellent resource for all those who teach preach and study the Bible *An Explanation of the Ten Commandments, Considered as the Rule of Christian Obedience* William Vickers (Archdeacon of Salop.), 1847 *Between Woman, Man and God* Hagith Sivan, 2004-06-01 At the heart of the Exodus is a recitation of the Decalogue a contract between Yahweh and Israel that inscribes Israel into the fabric of human societies while emphasizing its uniqueness through Yahweh According to the demands of the Decalogue manhood entails the avoidance of stealing killing and coveting not to mention apostasy and violation of the Sabbath and other men s property What then would be the essence of womanhood if different Is there an exclusion of women from active participation in the Sinaitic theophany and consequently from active sharing of responsibility and identity How ethically normative are the Ten Commandments And in terms of the present study how gender specific are they This study reclaims the encoded voice of womanhood or rather the code of women as one crucial key for comprehending the ancient Israelite mind By selecting female characters narratives as interpretative clues for the law this book presents a reading of the Decalogue at three levels legal behavioral and representational [Explanation of the Ten Commandments Given to Moses](#) St. Nikolai of Serbia (Velimirovic), Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory/vladimir-djambov-talmach.html> Verily this law is brief but these commandments tell a lot to anyone who knows how and who seeks the salvation of his soul He who does not understand this basic law of God with his heart will not be able to accept either Christ or His teachings He who does not learn to swim in shallow water will not be able to swim in depth for he will drown And whoever does not learn to walk before will not be able to run for he will fall and break And whoever does not learn to count to ten before can never count thousands And whoever has never learned to read in syllables will never be able to read fluently and speak eloquently And whoever has not laid the foundation of the house before will try in vain to erect a roof I repeat he who does not keep the commandments of the Lord given to Moses will knock in vain at the door of the Kingdom of Christ And what the First Law of God says and what the Commandments of the Lord mean we will understand if

we take a closer look at them and think about them a little longer A Short and Plain Explanation of the Ten Commandments ,1815 *The Ten Commandments* Rose Publishing,2006-02-22 The Ten Commandments is an ideal Bible study resource for youth and adults Shows both the traditional and contemporary wording of each of the 10 Commandments a principle and the meaning of each commandment what Jesus taught about the commandments and why the 10 Commandments are important today Below is an example of the information you will find in The Ten Commandments

Commandment 3 Do Not Misuse God s Name Thou shalt not take the name of the LORD thy God in vain Principle God s name is holy powerful and glorious Meaning God s name is holy and should be treated with respect there is power in the LORD s name and it shouldn t be used lightly Because God is Spirit we know Him through what He says about Himself to take His name in vain violates God s nature As God s creation everything a person says and does should be done in order to praise and glorify God 1 Corinthians 10 31 Bible examples When a man named Shelomith blasphemed the name of God with a curse the Lord commanded that he be taken outside the camp and stoned to death Leviticus 24 10 16 Jesus was accused of blasphemy because He claimed to be God John 10 33 James warned believers to watch what they say because the tongue is capable of evil and poison and can easily corrupt a person James 3 5 9 Jesus Teaching Jesus said every sin and blasphemy will be forgiven men but the blasphemy against the Spirit will not be forgiven But I tell you that men will have to give account on the day of judgment for every careless word they have spoken For by your words you will be acquitted and by your words you will be condemned Matthew 12 31 36 37 Jesus said to begin praying with Our Father in heaven hallowed be your name Matthew 6 9 Explanations Jews and Jewish scribes would go to great measures in order to avoid saying or writing the LORD s name for fear of blasphemy The Bible says we are to pray heal and baptize in Jesus name Matthew 28 19 Mark 16 17 John 14 13 Acts 3 6 The Bible says that what we say is very important and it is a glimpse into who we are James 3 9 12 God loves us and wants us to love and worship Him in whatever we are doing and at all times God wants us to use His name it is holy and powerful If we can show respect for the names of our fathers mothers teachers and doctors then how much more should we respect the name of our sovereign God The Ten Commandments breaks the 10 Commandments into two main divisions commandments about our relationship to God and commandments about our relationship to other people This pamphlet is also a great resource on the history of the commandments and why The Ten Commandments were revolutionary for their time A Short and Plain Explanation of the Ten Commandments ,1815 **The Ten Commandments** Martin Sicker,2007-12 The Ten Commandments is an exploration into the background meaning and implications of the Decalogue from a Judaic perspective Although they have become a universal symbol of Judeo Christian civilization it is only within Judaism that the Ten Commandments have a juridical function that goes beyond the mere announcement of a set of key precepts for man and society In Judaism the Ten Commandments are considered an epitome of the vast body of biblical legislation a concise statement of a mere 172 Hebrew words that was presented as a credo that could easily be memorized

and serve as a basic list of essentially easily understandable general rules It was not expected that the ordinary citizen would remember or fully understand the plethora of commandments found in the Torah that demand compliance and observance by the children of Israel their descendents and those who chose to cast their lot in life with them To understand the meaning and significance of the Ten Commandments in Judaic thought it is therefore necessary to correlate them with the body of legislative enactments set forth in the Torah dealing with the same subject matter a rather complex endeavor that this study hopes to facilitate The Law of God William Swan Plumer,1864 **The Explanation of the Ten Commandments** ,1802

10 a Brief Analysis of the Ten Commandments of Almighty God Richard Griffin,1915-03-29 What is the purpose of the Ten Commandments What is significant about each one Where is Mount Sinai How far is it from the Red Sea How many days did it take God to appear to the people and give Moses the Ten Commandments Why did Aaron make a golden calf and not something else Why did God want to destroy the Hebrews before they had even recieved the stone tablets Who wrote the Laws on the tablets What does it mean when scripture says Moses was horned Do the Ten Commandments have any meaning today This commentary answers those questions and more providing an analysis of each Commandment and describing the process by which God contracts with the Hebrews to make them His own forever It is a dramatic story about which most are only familiar with a few key elements For example most people probably don t realize that at one point Moses was in line to become Pharaoh of Egypt This analysis offers some additional background and explanation in an attempt to enhance the scriptural narrative of one small but important moment in the development of Judaism and Christianity It also offers commentary on the meaning of the commandments as they apply in a modern world filled with wonders and issues that didn t exist or could be imagined in Moses time Keeping the Ten Commandments J. I. Packer,2008-01-07 They re often mistakenly considered God s rules his outdated list of do s and don ts that add up to a guilt ridden legalistic way of life But as beloved author and Bible scholar J I Packer probes the purpose and true meaning of the Ten Commandments you ll discover that these precepts can aptly be called God s blueprint for the best life possible They contain the wisdom and priorities everyone needs for relational spiritual and societal blessing and it s all coming from a loving heavenly Father who wants the best for his children Not only does Packer deliver these truths in brief readable segments but he includes discussion questions and ideas for further study at the end of each chapter This book will challenge you to view the commandments with new eyes and help you to understand perhaps for the first time the health hope and heritage you re offered there **The Law of God, as Contained in the Ten Commandments** William S.
