Both doors are fitted with pressurized gas struts, to assist opening and closing and to hold them in the fully open position. Heavy duty anti-burst locks, that may be locked from the outside by means of the keys provided, are shielded to prevent clothing being caught on entry or exit from the cab.

The upper side windows are frameless tinted glass and may be opened a few inches or completely, and attached to an adjacent window and locked.

The rear window is frameless tinted glass and may be opened and stowed above the operators head.

Excellent visibility is offered through the generous window areas and with the installation of an interior mirror and windshield wipe/wash facility.
