**Is the Bible True?** United Church of God, 2010-10-12 Can you believe the Holy Bible Understanding the answer to this question is one of the most important pieces of information you can possess Yet people go through life unsure whether the Bible is fact or fraud They simply don't take the time to address this life altering question Some say the Bible is just a collection of stories and fables Some acknowledge that the Bible is good historical literature but they don't think it applies in today's world Others think it is OK to read as long as you don't have something else to do But is this really a good way to treat information that can make a difference in this life as well as the one to come Some people don't turn to the Bible until they find themselves in a severe crisis Many a person in prison held hostage recovering from a drug addiction or experiencing a terrible tragedy finally turns to the Bible for encouragement and direction But what good is this if we aren't sure that what the Bible says is true You don't have to wait until you are in the middle of a severe crisis to read or prove the Bible's validity for today Start today to understand how the Bible harmonizes with science is verified by archaeology and offers insight for the best life possible Read this Bible Study aid booklet Is the Bible True and start getting the answers Chapters in this ebook One of the World's Most Popular Books In Their Own Words Great Men and Women Who Highly Respected the Bible The Bible in the Modern World Humanity's Bias Against the Supernatural The Bible and Astronomy Earth's Age Does the Bible Indicate a Time Interval Between the First and Second Verses of Genesis The Bible and Archaeology Cyrus of Persia The Words of a Prophet Come to Pass A Staggering Archaeological Discovery The Mighty Assyrian Empire Emerges From the Dust King David's Existence Verified by Inscription Does Archaeology Confirm the Existence of Specific People Mentioned in the Bible The Bible and Science The Biblical Authors Men of God and Science Bible and Prophecy Modern Conditions Were Foretold in Scripture Many Centuries Ago The Bible and You Does the Bible Contain Errors Inside this Bible Study Aid ebook Science cannot of itself tell us why the earth and the physical creation exist Wrote Carl Sagan Why it happened is the greatest mystery we know That it happened is
