English Medieval Industries John Blair, W. John Blair, Nigel Ramsay, 1991-01-01 English Medieval Industries is an authoritative modern survey of medieval crafts and their products It is heavily illustrated by pictures of surviving objects and contemporary representations of medieval work Each industry is approached by material amongst others stone tin lead copper iron brick glass leather bone and wood discussing its acquisition working and sale as a finished product The contributors are the leading experts in their fields They describe the specialist work that went to make the housing clothing tools vessels and ornaments of medieval people A general bibliography provides a valuable reference tool The Oxford Handbook of Later Medieval Archaeology in Britain Christopher Gerrard, Alejandra Gutiérrez, 2018-01-11 The Middle Ages are all around us in Britain The Tower of London and the castles of Scotland and Wales are mainstays of cultural tourism and an inspiring cross section of later medieval finds can now be seen on display in museums across England Scotland and Wales Medieval institutions from Parliament and monarchy to universities are familiar to us and we come into contact with the later Middle Ages every day when we drive through a village or town look up at the castle on the hill visit a local church or wonder about the earthworks in the fields we see from the window of a train The Oxford Handbook of Later Medieval Archaeology in Britain provides an overview of the archaeology of the later Middle Ages in Britain between AD 1066 and 1550 61 entries divided into 10 thematic sections cover topics ranging from later medieval objects human remains archaeological science standing buildings and sites such as castles and monasteries to the well preserved relict landscapes which still survive This is a rich and exciting period of the past and most of what we have learnt about the material culture of our medieval past has been discovered in the past two generations This volume provides comprehensive coverage of the latest research and describes the major projects and concepts that are changing our understanding of our medieval heritage *Agincourt* Juliet Barker, 2008-12-02 From a master historian comes an astonishing chronicle of life in medieval Europe and the battle that altered the course of an empire Although almost six centuries old the Battle of Agincourt still captivates the imaginations of men and women on both sides of the Atlantic It has been immortalized in high culture Shakespeare's Henry V and low the New York Post prints Henry's battle cry on its editorial page each Memorial Day It is the classic underdog story in the history of warfare and generations have wondered how the English outnumbered by the French six to one could have succeeded so bravely and brilliantly Drawing upon a wide range of sources eminent scholar Juliet Barker casts aside the legend and shows us that the truth behind Agincourt is just as exciting just as fascinating and far more significant She paints a gripping narrative of the October 1415 clash between outnumbered English archers and heavily armored French knights But she also takes us beyond the battlefield into palaces and common cottages to bring into vivid focus an entire medieval world in flux Populated with chivalrous heroes dastardly spies and a ferocious and bold king Agincourt is as earthshaking as its subject and confirms Juliet Barker's status as both a historian and a storyteller of the first rank **Urban Assimilation in**

Post-Conquest Wales Matthew Frank Stevens, 2010-03-30 This book uses principally but not only a case study of the Denbighshire town of Ruthin to discuss both the significance of Englishness versus Welshness and of gender distinctions in the network of small Anglo Welsh urban centres which emerged in north Wales following the English conquest of 1282 It carefully constructs an image of the way in which townspeople's everyday lives were influenced by their ethnic background gender wealth and social status In this manner it explores and explains the motivations of English and Welsh townspeople to work together in the mutual pursuit of prosperity and social stability

The Organization of Manufacturing in Medieval England Gary Richardson, 1999 Materials, Methods, and Masterpieces of Medieval Art Janetta Rebold Benton, 2009-08-27 A comprehensive and informed analysis explores the startlingly diverse and sophisticated fine arts in the Middle Ages Materials Methods and Masterpieces of Medieval Art provides a comprehensive and detailed analysis of the work done by artists in western Europe during the Middle Ages Art historian Janetta Rebold Benton uses examples such as the Book of Kells Bury Saint Edmunds Cross and the Bayeux Tapestry and the work of artists such as Jan van Eyck and Giotto to explore the various media available to medieval artists and the ways in which those media were used to create a stunning array of masterworks Although the visual arts of the Middle Ages were extremely colorful today much of that color has diminished or disappeared the pigments and threads faded the gold abraded the silver tarnished Materials Methods and Masterpieces of Medieval Art allows these works to sparkle once more Includes 76 illustrations Technology and Society in the Medieval Centuries Pamela O. Long, 2003 Pamela Long considers the ways in which different medieval cultures from the Byzantine empire to northern Europe adopted and transformed technologies according to their own needs Long introduces readers to recent scholarship and to some of the significant issues in the historiography of medieval technology

The Tailors of London and Their Guild, C.1300-1500 Matthew P. Davies, 1994 **England** Alan Edwin Day, 1993 The World of the Medieval Shipmaster Robin Ward, 2009 A comprehensive picture of the life and responsibilities of an English medieval shipmaster Despite a background of war piracy depopulation bullion shortages adverse political decisions legal uncertainties and deteriorating weather conditions between the mid fourteenth and the mid fifteenth centuries the English merchant shipping industry thrived New markets were developed voyages became longer ships and cargoes increased in size and value and an interest in ship ownership as an investment spread throughout the community Using a rich range of examples drawn from court and parliamentary records contemporary literature and the codifications of maritime law this book illuminates the evolving management and commercial practices which developed to regulate the relationships between shipowners shipmasters crews and shipping merchants It also brings to life ship performance navigation seamanship and the frequently harsh conditions on board

Magnificent Fabrick' Sarah Brown,2003 For a period of almost five hundred years York Minster resembled a building site as different parts were added and altered before it finally became the building we see today This detailed study of the construction and development of the minster draws on architectural recording carried out on the building by the RCHME and English Heritage since the early 1970s as well as more recent discoveries and research particularly on the stained glass windows Each major building phase is discussed in turn the construction of the transept the Chapter House the nave Lady Chapel western choir and central tower The historical background to these phases reveals some of the financial political and religious events that hampered and or motivated the building phases and this and issues of imagery and patronage are all discussed

The Antiquarian Rediscovery of the Antonine Wall L. J. F. Keppie,2012 The Antonine Wall has been visible as an upstanding earthwork across the central belt of Scotland between Forth Clyde since its construction by the Roman legions over 1 850 years ago early in the reign of the Roman emperor Antoninus Pius This book takes up its story from the time of its abandonment in the reign of Pius successor Marcus Aurelius and charts developments in our knowledge about it through the Middle Ages and after up to the early years of the twentieth century by which time the earliest scientific excavations had taken place

The Publications of the Thoresby Society Thoresby Society,2012

The Image in Print Martha W. Driver,2004 This important new survey examines woodcuts in books and describes what they can tell us about how books were produced and why about reading habits and developments in literacy and about the part they played in social political and religious change
