*Enlisting for Christ and the Church* Howard Agnew Johnston, 1919      Enlist Tim Walk, 2015-12-07 Increasingly people are walking away from the church and their Christian faith more than ever before This is not a media another religion or a political problem It is a direct result of the lack of Biblical adherence most Christians encounter What a person reads in the Bible is not what they experience in church in the lives of their Christian friends or in their own lives Enlist invites the reader to come back to the mission Jesus challenged each and every follower to become a disciple or as Paul described a fellow soldier in Christ      *No More Christian Nice Guy* Paul Coughlin, 2016-07-05 Revised and Expanded Edition of a Life Changing Book Recovering nice guy Paul Coughlin points the way for all men who yearn to live a life of boldness and conviction like Jesus Using anecdotes from his own life powerful and poignant stories and vivid examples from our culture Coughlin shows how men can say no to the nice guy syndrome and yes to a life of purpose passion and vitality In this revised and expanded edition Coughlin adds vital insights on the changes he s seen in churches and the greater culture in the decade since No More Christian Nice Guy was first published This radical and hopeful message elevates the true biblical model of manhood and now includes testimonials from men and women whose lives have been altered by this book Coughlin also looks at the shifting expectations men face in relationships and in the workplace and how younger Christians in particular are subject to harmful views about masculinity Part inspiration part instruction and part manifesto this book gives men the courage to move from passivity to assertiveness      Messenger and Visitor , 1919      *How to Lead a Church to Reach People and Grow* Robert A. Young, 2009-05 This book presents a unique approach to church growth It is written mainly to help churches that are declining but will help all churches The underlying premise is that churches do not grow and reach new people because they do not know how or because they are so poorly structured and organized that they spend most of their time and efforts in conflict This disrupts the fellowship and leaves very little time and energy for reaching new people The subtitle could be Fifteen Essential Steps To Growth Basic growth and administrative principles The combining of these areas makes this a unique book Young has brought together these basic elements from over 40 years of experience The book is a practical guide for a local church to follow to function efficiently and effectively and reach people for Christ When the steps are followed and in the proper order the church can pretty well be assured of growth and effective ministry Dr Robert A Young is currently President of Samuelite Corp Church Outreach and Consulting He served as Associate Pastor Administration of Walnut Street Baptist Church Louisville KY and Park Cities Baptist Church Dallas TX and President of the National Association of Church Business Administration He has conducted Total Church Consultations and Capital Fund Campaigns for churches of all sizes and denominations He is now available to serve churches as a consultant in these areas He is also the author of *The Development of A Church Manual of Administrative Policies*      **The Christian Evangelist** , 1902      **Association Men** , 1914      **Exalting Jesus in Colossians & Philemon** Dr. Daniel L.
