"Thank you so much for travelling here Miss Captisa. Your friend listed you as their emergency contact."

"He's from England and I'm the only person he knows here in America. Is he going to be okay?!"

"Yes, although we need to make some immediate decisions. His genital area suffered damage in the accident and his hair was burned. Let me discuss the options with you. Regardless, it will be a long road to recovery."

"I'm cutting this stupid hair off Courtney!"

"They said you would suffer some mental problems as well..."

"Long blonde hair as a replacement? I look like a girl! And why do I have to wear your clothes! What's the point of this hat?"

"Your first appointment with the psychiatrist is Monday!"

"Courtney... I keep having bad dreams."

"What is it this time?"

"I have these nightmares that I had short hair and for some reason was dressing in larger clothes."

"Funny you should mention shopping CLAIRE. I think it's time we make a big step in your life. Time to go shopping for your first bra! Whoa, those hormones are working wonders."

"What?"

"Thanks for picking me up Aunt Courtney!"

"No problem! How was cheerleading practice?"

"So much fun! But I kept having this thought that my name wasn't Claire Captisa and for some reason have attended another high school before..."

"That's you just being ditzy! Let's get going. We have another doctor's appointment to get your medication dosage doubled!"
