ok because I don't think my parents will want to read it because they were there for almost all of it so it would be a rerun for them I don't think reruns are bad but they already lived through this once so they probably don't want to get all upset all over again So go ahead and click away It was an adventure for me come on along for the ride John Sullivan is right This is quite an undertaking for a senior in high school But that is what it is a diary a coming of age novel a satire and incredibly a love story It is a unique look at one of the most important developmental periods in a person's life
