Ecotourism Programme Planning Author David A Fennell Dec :

Ecotourism Programme Planning David A. Fennell, 2002-01-01 Tourism is the world's largest industry. In the past decade it is the natural resource based sector that has experienced the greatest growth. In particular adventure cultural and ecotourism ACE tourism for example skiing white water rafting whale watching festivals and fairs. This book provides an in depth overview of the different operations of ACE tourism. It draws on theory from recreation and leisure studies tourism marketing and environmental management to demonstrate the importance of effective program planning. This is especially significant as industry competition becomes more intense in this growth sector. *Choice*, 2003 **Canadian Who's Who 2008** Elizabeth Lumley, 2008-01-05 Now in its ninety eighth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians. Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada. The volume is updated annually to ensure accuracy and 600 new entries are added each year to keep current with developing trends and issues in Canadian society. Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity. Each entry details birth date and place education family career history memberships creative works honours and awards and full addresses. Indispensable to researchers students media business government and schools. **Canadian Who's Who** is an invaluable source of general knowledge. The complete text of **Canadian Who's Who** is also available on CD ROM in a comprehensively indexed and fully searchable format. Search astronaut or entrepreneur of the year aboriginal achievement award and Order of Canada and discover a wealth of information. Fast easy and more accessible than ever the **Canadian Who's Who** on CD ROM is an essential addition to your electronic library. Forthcoming Books Rose Arny, 2002 **Ecotourism Policy and Planning** David A. Fennell, Ross Kingston Dowling, 2003 Annotation The global tourism industry continues a trend of sustained growth moving more people and generating domestic and foreign revenues often at the expense of the social and ecological integrity of destination regions. As a result tourism policy makers have been forced to consider a variety of new approaches to ensure that the environment local people tourists and business remain unaffected by the negative impacts of the industry. *Routledge Handbook of Ecotourism* David A. Fennell, 2021 This handbook presents a timely broad ranging and provocative overview of the essential nature of ecotourism. The chapters will both advance the existing central themes of ecotourism and provide challenging and divergent observations that will thrust ecotourism into new areas of research policy and practice. The volume is arranged around four key themes sustainability ethics and identity change conflict and consumption and environment and learning with a total of 28 chapters. The first section focuses on sustainability as a core ecotourism criterion with a primary focus on some of the macro sustainability issues that have an impact on ecotourism. Foremost among these topics is the linkage to the UN's Sustainable Development Goals which have relevance to ecotourism as one of the greenest or most

responsible forms of tourism The chapters in the second section provide a range of different topics that pull ecotourism research into new directions including a chapter on enriching indigenous ecotourism through culturally sensitive universalism The third section includes chapters on topics ranging from persons with disabilities as a neglected body of research in ecotourism to ecotourism as a form of luxury consumption The final section emphasises the link between ecotourism and learning about the natural world including a deeply theoretical chapter on rewilding Europe With contributions from authors around the world this handbook gives a global platform to local voices in both developed and emerging country contexts The multidisciplinary and international Routledge Handbook of Ecotourism will be of great interest to researchers students and practitioners working in tourism and sustainability *Outlines and Highlights for Ecotourism by David Fennell, Isbn Cram101 Textbook Reviews,2010-12* Never HIGHLIGHT a Book Again Virtually all of the testable terms concepts persons places and events from the textbook are included Cram101 Just the FACTS101 studyguides give all of the outlines highlights notes and quizzes for your textbook with optional online comprehensive practice tests Only Cram101 is Textbook Specific Accompanys 9780415429313 Ecotourism Chiranjib Kumar,Aditi Choudhary,2016
