Psychology grade none course MA IN TESOL language English abstract In the UAE and globally high stakes testing is prevalent in second language learning One important and integral part of high stakes English language tests is the oral proficiency interview which can be a pre requisite to gaining admission to an English speaking university The volunteer participants were 25 15 17 year old Emirati students from two IGCSE ESL classes that I do not teach This study included a videotaped mock oral proficiency IGCSE interview audiotaped semi structured individual interviews questionnaires and an audiorecorded semi structured focus group discussion The findings suggested that language and test anxiety is multi faceted and can affect boys and girls in a number of different ways and at different times during class activities and also in an OPI In addition all participants showed different physical signs of test anxiety during the first two stages of the OPI and these physical signs of test anxiety were considerably less frequent in the final part of the OPI The causes and types of anxiety reported by the students ranged from language learning difficulties problems trying to retrieve appropriate English vocabulary code switching from Arabic language to English and vice versa differences in social status of the teachers language instructors and unfamiliarity with the interlocutor The pedagogical implications of these findings for understanding anxiety and oral test anxiety with second language students for teachers schools and examination boards are discussed as are suggestions for future research Furthermore considering the important role of teachers in second language pedagogy and the use of English as the main language of instruction this study also offers suggestions to lessen anxiety for oral class activities and oral assessments and presents test taking strategies

IELTS English Vocabulary 5000 Version 2021, 0000000000
DAVID YAO, The International English Language Testing System or IELTS is an international standardized test of English language proficiency for non native English language speakers It is jointly managed by the British Council IDP IELTS Australia and Cambridge Assessment English and was established in 1989 Achievement in this qualification is benchmarked against the Council of Europe s Common European Framework of Reference for Languages CEFR from level C1 Advanced CAE to C2 Proficiency CPE of the CEFR We collect 2100 English Vocabulary in C1 Advanced CAE and 3000 English Vocabulary Based on our many years experience in HSK and IGCSE Chinese teaching and course contents preparation we find vocabulary level classification is so important Students can use CEFR levels for self assessment so that they can more clearly define what they need to work on and work out what they would like to achieve in their target language Our Classified Chinese vocabulary list HSK and IGCSE has total 12000 vocabularies with the Best English Translation for better understanding Many students call it LIFE SAVING STRAW for their exam This book is a great success and encourages us to work beyond it Based on our pass experience and data collection by referring the authoritative resources like Cambridge and Oxford dictionary here is our painstaking effort

Comprehensive English Prefix and Suffix List Part 2/4 00000000000000000000
DAVID YAO, Many English words are formed by taking basic words and adding combinations of prefixes and suffixes to them A basic word to which affixes prefixes and suffixes are added is called a root word because it forms the basis of a new

word The root word are mostly from Latin and Greek This is very similar to Chinese language which contains Radical Radicals normally give you some hints in meaning By decoding the root words from Latin and Greek you will find most deep words such as biology and medical term are easier to remember you can even sense out a new word meaning even it is new to you or it is even French German or Italian You will not be intimidated by English words on the opposite you will enjoy the decoding approach as a fun way to expand your English vocabulary *Decoding Greek and Latin roots in English (Part 3/4)*

DAVID YAO, Looking to expand your English vocabulary in a unique and smart way Look no further than decoding Greek and Latin roots in English These ancient roots form the gene of modern English vocabulary and by unlocking their meanings you can easily understand and remember even the most difficult words In this book I will explore how many English words are formed by combining prefixes and suffixes with basic root words which are mostly derived from Latin and Greek Similarly Chinese language also contains Radicals which provide hints to the word s meaning By understanding the root words we can decode new words and quickly grasp their meanings Whether you re a non native English speaker looking to improve your vocabulary or a native speaker wanting to expand your knowledge this book will provide you with the tools to do so Using my experience as a native Chinese speaker who learned English later in life I have developed unique strategies for understanding and remembering English words Through my work in data mining and creating a Chinese English vocabulary database I have discovered nearly one million entries that enable me to identify vocabulary with the same root The List of Greek and Latin roots in English provided by resources such as Wikipedia have also been invaluable in my research In this book I will provide a comprehensive alphabetical list of prefixes and suffixes with a special focus on those used in medical terminology By understanding the meanings of these roots you will be able to easily remember difficult medical terms and other complex vocabulary In summary decoding Greek and Latin roots in English is a smart and unique way to expand your English vocabulary With the tools and strategies provided in this book you ll be well on your way to mastering even the most challenging words *Edeo & Legoo Mandarin Publications List 2022 March Issue Vol. 11*
