Dr Joseph Salzmanns Leben Wirken:

Catholic World ,1877 Renewal and Resistance Paul Collins,2010 The Roman Catholic Church has always been concerned with the quality of the music used in the liturgy and the essays in this volume trace the church s efforts during the nineteenth century and the first half of the twentieth to cultivate a more appropriate liturgical music for its Latin Rite The task of restoration expressed for example in the chant revival associated with the monks of Solesmes the efforts of the Cecilian movement and Pius X s determination to reform sacred music in the universal church is a recurring theme in the book Meanwhile resistance particularly to the reforms decreed by the pope s 1903 motu proprio also finds a voice in the volume The essays collected here describe selected scenes and episodes from the unending story of imperfect human beings trying to express in their music the perfection of God The American Catalog ,1881 Bibliography of Wisconsin Authors State Historical Society of Wisconsin.
