

**David Mann** 

**Erotic Transference and Countertransference** David Mann, 1999 Erotic Transference and Countertransference brings together for the first time contemporary views on how psychotherapists and analysts work with and think about the erotic in therapeutic practice Representing a broad spectrum of psychoanalytic perspectives including object relations Kleinian Jungian and Lacanian thought the contributors highlight similarities and differences in their approaches to the erotic in transference and countertransference ranging from love and sexual desire to perverse and psychotic manifestations Erotic Transference and Countertransference offers ways of understanding the erotic which should prove both useful and thought Psychotherapy: An Erotic Relationship David Mann, 2003-09-02 Psychotherapy An Erotic Relationship provoking challenges the traditional belief that transference and countertransference are merely forms of resistance which jeopardize the therapeutic process David Mann shows how the erotic feelings and fantasies experienced by clients and therapists can be used to bring about a positive transformation Combining extensive clinical material with theoretical insights and new research on infants the author traces erotic development back to the parent child relationship drawing parallels between this relationship and the therapist client dyad Individual chapters explore the function of the erotic within the unconscious pre Oedipal and Oedipal material homoeroticism in therapy sexual intercourse as a metaphor for psychological change the primal Clinical Counselling in Primary Care John Lees, 2020-12-15 scene and the difficulties of working with perversions Clinical Counselling in Primary Care examines the complexities and variety of uses of clinical counselling employed in a medical setting With an estimated 2 in 3 GP sugeries now employing a counsellor or referring patients on a regular basis this book tackles key debates head on It discusses a range of important clinical issues such as therapeutic framework clinical work as part of the greater whole the need to develop suitable therapeutic models Clinical Counselling in Primary Care looks at possible developments in the future and argues for the improvement of the standing of counselling in relation to other primary care professsions Values And Ethics In The Practice of Psychotherapy And Counselling Fiona Palmer Barnes, Lesley Murdin, 2001 The work of every school of psychotherapy and every therapist is inevitably structured by a value system and requires codes of ethics and practice This book addresses the conscious and unconscious aspects of the value system in which therapists are situated Values and Ethics in the Practice of Psychotherapy and Counselling explores the central issues through the experience of the contributors each of whom is well known in this field Each chapter will raise questions for the reader which will stimulate individual thinking about practice or can form a basis for discussion and debate for training or graduate groups The book is firmly rooted in practice Each chapter deals with a different aspect of the psychotherapist s work beginning with the general underlying principles continuing through matters of technique and on to contextual issues Finally the book moves to the outer world politics and spirituality as ways of connecting inner and outer social and individual The arrangement of chapters allows for flexibility and creativity while providing a coherent structure

Values and Ethics in the Practice of Psychotherapy and Counselling is recommended reading for psychotherapists psychoanalysts and counsellors in training and practice Deepening Intimacy in Psychotherapy Florence Rosiello, 2000-09-01 In this provocative volume Dr Florence W Rosiello addresses erotic dynamics in the treatment relationship within the context of a two person therapy emphasizing the necessity of mutuality and emotional reciprocity between patient and therapist With rich clinical illustrations she demonstrates how the intimacy created by working within the sexual dimension of the therapeutic relationship may present opportunities for insight and growth that could easily be missed if one seeks to avoid these highly charged issues Focusing on those patients who are predisposed to relating to others in a sexualized manner Dr Rosiello has discovered that mutual exploration of both the therapist s and the patient s subjective experience offers a valuable and effective means of enhancing the treatment Love's Return Gail M. Boldt. Paula M. Salvio, 2012-11-12 The idea that teachers love children is often taken for granted in education Rarely is the idea of love itself examined Bringing together the work of educators curriculum theorists and clinical psychoanalysts and drawing upon autobiographical and narrative case studies this groundbreaking collection examines the collision of love and learning including the ways in which such intersections are provoked repressed and denied Contributors turn to psychoanalysis to explore questions of love in all of its varying permutations ambivalence sexuality hatred desire projection and loss in order to demonstrate how the social ramifications of such work is critical to the ways teachers are currently being prepared for life in the classroom **Therapy in Colour** Various, 2023-06-15 If you are seeking to create a more intersectional anti racist and inter cultural approach to therapy this edited collection emerging from the Black African and Asian Therapy Network is an invaluable resource for your practice This collection covers topics such as the psychological trauma of racism the various barriers to accessing support for mental health and the lived experience of Black African or Asian people in a profession that is still dominated by Eurocentric perspectives training and practice Each contribution further reinforces the importance and benefit of having an intersectional anti racist and inter cultural approach to your therapeutic practice and contains insight from 27 experts in the psychological arena This book is split into four sections the first focusses on colour creativity and anti racist reflections Part two covers training in the psychological field in the past present and future Part three discusses CPD supervision and self care with a specific focus on mental spiritual physical and emotional health and lastly part five centralises therapeutic needs and psychological wellbeing within the context of identity culture and belonging Beyond Language in Relational Psychotherapy Helena Hargaden, 2023-06-07 This collection of articles by Dr Helena Hargaden makes the case for the evolution of relational theory from a scientific and poetic knowledge base expressing the different forms of human suffering Journal articles book chapters and speeches spanning the course of 22 years trace the evolution of the author's own mind alongside the evolution of relational theory Drawing on her knowledge of science and poetry Dr Hargaden examines case studies tracing the relational process which involves the vulnerability of both therapist and client as change

happens in them through complex relatedness The author makes broad in depth theoretical links with humanistic and psychoanalytic perspectives which reveal the richness inherent in the term Relational Themes explored include intersubjectivity the use of the analyst s subjectivity mutuality therapy as a two way street dissociation enactment the use of the third race gender and sexuality Blending approachable language and themes with highly intellectual ideas this text will be of high value and intrigue to a wide range of readers particularly transactional analysts and relational psychotherapists
