Discours Conferences Classic Reprint Ernest:

The Rise of Early Modern Science Toby E. Huff, 2017-06-06 Now in its third edition *The Rise of Early Modern Science* argues that to understand why modern science arose in the West it is essential to study not only the technical aspects of scientific thought but also the religious legal and institutional arrangements that either opened the doors for enquiry or restricted scientific investigations Toby E Huff explores how the newly invented universities of the twelfth and thirteenth centuries and the European legal revolution created a neutral space that gave birth to the scientific revolution Including expanded comparative analysis of the European Islamic and Chinese legal systems Huff now responds to the debates of the last decade to explain why the Western world was set apart from other civilisations [Did Jesus Teach Salvation by Works?](#)

Alan P. Stanley, 2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one s initial conversion but one s final entrance into heaven [Guide to Reprints 2007](#) K.
