*Decentralization, Local Governance, and Localizing the Sustainable Development Goals in Asia and the Pacific* Bruno Carrasco,Hanif A. Rahemtulla,Rainer Rohdewohld,2022-10-12 Since its adoption in 2015 the 2030 Agenda on Sustainable Development has shaped not only

international development cooperation but also the design of national trajectories for social and economic development In tandem with other global agendas adopted that year such as the Paris Agreement on Climate Change and UN Habitat s New Urban Agenda it remains the global and regional blueprint for sustainable development despite the COVID 19 pandemic The term localizing the Sustainable Development Goals SDGs has been used to capture the importance of subnational governments for achieving national SDG agendas However there is little deeper analysis of the required nexus between fiscal political and legal arrangements for SNGs their involvement in national policy arenas which discuss and decide on national SDG strategies and the need for locally disaggregated data systems on the one hand and effective SDG localization strategies on the other hand It is this aspect which the present publication explores in greater detail by using country examples and conceptual analyses The text will be of interest to policymakers scholars students and practitioners in public policy and public administration decentralization and sustainable development with a focus on the Asia and Pacific region The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution Non Commercial No Derivative License CC BY NC ND 3 0 IGO

**Decentralization and Development of Sri Lanka Within a Unitary State** N.S. Cooray, Sirimal Abeyratne, 2017-09-19 This comprehensive volume provides uniquely diverse insights into various aspects of decentralization and development from both developed and developing countries with special reference to Sri Lanka For a quarter century Sri Lanka was battered by its prolonged civil war which ended in 2009 but has now achieved relative peace and stability Having developed rapidly Sri Lanka offers a classic example for developing countries There is however a strong need particularly in the context of postwar conflict to formulate policies for reconciliation peace building and development at all levels local provincial and national Decentralization itself is not a new subject however how to devolve power to local administrative levels within a unitary system and how to link the devolved power to make local administrative systems more conducive to development and provide better services for citizens are challenging tasks in many countries Taking into account the developmental governance and conciliatory needs and the sensitivity of central local relations this volume critically examines the local government systems in Sri Lanka It also proposes a viable effective and autonomous local level administrative unit based which draws on experiences from Japan and other countries and identifies the role and functions of such a unit The book presents commissioned papers from a three year research project undertaken by internationally respected experts with financial support by the Japan Society for the Promotion of Science JSPS under a Grant in Aid for Scientific Research

**Territoriality, Citizenship and Peacebuilding** Kelechi A. Kalu, 2013-06-29 Civil conflicts in Africa range from few interstate wars to several intrastate conflicts characterized by secessionist movements irredentism coups and counter coups genocide wars of liberation to resource based wars The varied causes of conflicts in the continent s diverse and complex social formations are seen in ethnic terms and include struggles for economic environmental resources poor institutions of governance and issues of identity such as

religion language and racial differences The core issue addressed in this volume is how to understand and explain the structural and analytical reasons for persistent civil conflicts in Africa The core assumption is that most civil conflicts in Africa erupt largely because of the nature of state formation in the continent Other significant variables that are explored as explanations for the persistent instances of civil conflicts in sub Saharan Africa and the slow efforts at nation building across the continent include issues of territoriality climate change ethnicity ideological incongruities institutional problems the nature of postcolonial state unreformed governance and economic structures and corruption This book also examines some sources of unresolved issues of territoriality and explains their connections to political violence and socio political and cultural tensions across sub Saharan Africa It offers suggestions on how scholarly research and policies could help mediate if not mitigate future territorially based conflicts in Africa

**Politics, Governance, and Development in Ghana** Joseph R.A. Ayee, 2019-10-16 Since it achieved independence in 1957 the West African state of Ghana has become the torchbearer of African liberation as well as a laboratory for the study of endemic problems facing the African continent In terms of democratic consolidation the country holds a unique position on the continent as beacon of stability and democracy Politics Governance and Development in Ghana takes critical stock of the landmark themes that have dominated its history since independence The contributors address issues such as citizenship civil society the military politicians chiefs transnational actors the public sector and policies the executive branch decentralization the economy electoral politics natural resources and relations with Asia and the diaspora These themes support mobilizing for Ghana s future which is the theme for the diamond jubilee celebration of Ghana s independence Edited by Joseph R A Ayee this book will deepen the literature on studies on Ghana especially in the areas of politics governance economy and development serve as a resource for academics students practitioners and commemorate the diamond jubilee celebration of Ghana s independence

Regional Development Dialogue, 2008 An international journal focusing on third world development problems

Constitutional Law, Democracy and Development Douglas Karekora Singiza, 2019-02-21 Uganda like many African countries in the 1990s adopted decentralisation as a state reform measure after many years of civil strife and political conflicts by transferring powers and functions to district councils The decision to transfer powers and functions to district councils was in the main linked to the quest for democracy and development within the broader context of the nation state This book s broader aim is to examine whether the legal and policy framework of decentralisation produces a system of governance that better serves the greater objectives of local democracy local development and accommodation of ethnicity Specifically the book pursues one main aim to examine whether indeed the existing legal framework ensures the smooth devolution process that is needed for decentralised governance to succeed In so doing the book seeks overall to offer lessons that are critically important not only for Uganda but any other developing nation that has adopted decentralisation as a state restructuring strategy The book uses a desk top research method by reviewing Uganda s decentralisation legal and policy frameworks

**Governance in Comparative Perspective** Kristin R. Good, Decentralization, Democratic Governance, and Civil Society in Comparative Perspective Philip Oxhorn, Joseph S. Tulchin, Andrew Selee, 2004-05-19 This volume studies the relation of decentralization to democratization at both intermediate and local levels and analyzes how decentralization is transforming the relationship between the state and civil society Letter Dated 15 June 2009 from the Permanent Representative of Sri Lanka to the United Nations Addressed to the President of the Economic and Social Council United Nations. Economic and Social Council, 2009 Executive summary Development policy in post colonial Sri Lanka has had certain unique features As articulated policy was to be guided by a set of multiple goals including economic growth redistributive justice poverty alleviation employment promotion balanced regional development and environmental sustainability The implementation of this policy framework however encountered significant problem as it constantly required sorting out difficult and complex trade offs contradictions and challenges Yet Sri Lanka was able to achieve within this policy framework a series of human development outcomes which are widely acknowledged as desirable International Handbook on the Economics of Corruption Susan Rose-Ackerman, 2007-01-01 This collection of articles offers a comprehensive assessment of the subtle but nevertheless pervasive economic infrastructure of corruption It provides suitable core or adjunct reading for law school graduate and undergraduate courses on international economics international relations and international law American Society of International Law This exhaustive collection edited by Rose Ackerman cannot be called anything but excellent Overall a wonderful addition to the literature Highly recommended C J Talele Choice Susan Rose Ackerman is a world class economist and an authority on the economics of corruption This is a fine reference volume that every economist interested in this important subject will want to have as a ready reference Jagdish Bhagwati Columbia University US Economic research on corruption aims both to isolate the economic effects of quid pro quo deals between agents and third parties and to suggest how legal and institutional reforms might curb harms and enhance benefits In this comprehensive Handbook top scholars in the field provide specially commissioned essays both theoretical and empirical exploring both types of research The Handbook begins with an introductory essay by the editor followed by two chapters written by leading exponents of cross country research However the focus of the Handbook is on research at the micro level where policy can be made and evaluated These microeconomic studies fall into several overlapping categories The first group includes studies that link corrupt incentives to institutional structures particularly the organization of the state The second draws implications from surveys of households or businesses and from controlled experiments The third concentrates on particular sectors such as education tax administration public works customs services and pharmaceuticals Finally two chapters assess corruption in the transition away from socialism in Europe and Asia Annual Report University of Ghana, 2009 Decentralizing Governance G. Shabbir Cheema, Dennis A. Rondinelli, 2007-06-11 Traces the evolution and performance of decentralization concepts from the transfer of authority within government to the sharing of power authority and responsibilities among

broader governance institutions      **Local Government and Market Decentralization** Robert John Bennett, 1994 As many countries around the world grapple with political and market reform lively debate is growing around questions concerning the conditions under which decentralization policies are called for which policies and strategies work and how transferable they are This timely study looks closely at the possibilities for and limitations of decentralization in industrialized developing and former Eastern bloc countries Of particular interest is Part One of the book which concentrates on an in depth analysis of decentralization developments in the new democracies of Central and Eastern Europe Under the themes of a political and administrative development b governance and services c services and revenues and d urban and regional dimensions the book traces the decentralization experiences of the developing countries the countries of the former USSR and Eastern Europe as well as OECD countries The first such comprehensive study of these issues this volume also boasts several contributions by ministers and senior officials in charge of local reforms in their respective countries This timely and important look at current developments in decentralization will be of great interest to students of decentralization regional development and the transition from centralized to market economies and to those responsible for creating and implementing the relevant policy      **Journal of Rural Development** ,2005      **Decentralization of Administration in Bangladesh** ,1996      The Journal of Social Studies ,1993      Latin American Studies ,1990
