Integrating the Expressive Arts Into Counseling Practice, Second Edition Suzanne Degges-White, Nancy L. Davis, 2017-09-28. When I used it I felt it was a very valuable resource linking work with the arts to the theoretical foundations of counseling. Sally S. Atkins EdD, Professor Emerita, Founding Director of Expressive Arts, Appalachian State. They like the activities since it helps them learn more about the counseling theory which was discussed in the Theories of Counseling class. It provides more application. Some activities are pretty detailed and class time does not allow for much practice. But we discuss how this could be used in therapy sessions, groups. The book is short and very pointed in its information and use. We like it.

Judy A. Schmidt EdD, CRC, LPCA, University of North Carolina at Chapel Hill.
