Francis Chan Crazy Love Study Guide Questions:

Living Crazy Love Francis Chan, Mark Beuving, 2011-09-01 From New York Times Best Selling author Francis Chan comes fresh insight into the love of God. Chan's new thoughts and reflections on God's love in *Living Crazy Love* allows the book to stand alone or be used as a companion to *Crazy Love*. This ten week in depth study of God's character helps readers embrace God's intense relentless love and watch that love transform every aspect of their being. Designed for individuals or small groups, this study includes weekend retreat options and tips for small group leaders. However readers choose to use this book, Francis Chan's thought provoking teaching will help them pursue God as they never have before, digging deep into their thoughts and beliefs about the love of God and how that love should impact their lives. After all, the spiritual journey is about so much more than what Christians have made it to be, and once they truly encounter God's love, they will never be the same.

Crazy Love Francis Chan, 2013-04-01 Revised Updated Edition God is love. Crazy, relentless, all powerful love. Have you ever wondered if we're missing it? It's crazy if you think about it. The God of the universe, the Creator of nitrogen and pine needles, galaxies and E minor, loves us with a radical unconditional self sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts, it's falling in love with God. And once you encounter His love as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything.
