Estate Planning For Dummies N. Brian Caverly, Jordan S. Simon, 2003-03-07 Planning for your family's future made easy If you're like most people you want to be sure that once you've passed on no more of your property and money will be lost to the government than is absolutely necessary You want to know that you'll be leaving your heirs your assets and not your debts You want to be absolutely certain that your will is ship shape your insurance policies are structured properly and that every conceivable hole in your estate plan has been filled And most of all you'd like to do all of this without driving yourself crazy trying to make sense of the complicated jargon jumble of paperwork and welter of state and federal laws involved in the estate planning process Written by two estate planning pros this simple easy to use guide takes the pain out of planning for your ultimate financial future In plain English the authors walk you step by step through everything you need to know to Put your estate into order Minimize estate taxes Write a proper will Deal with probate Set up trusts Make sure your insurance policies are

structured properly Plan for special situations like becoming incompetent and pet care Craft a solid estate plan and keep it up to date Don't leave the final disposition of your estate up to chance and the whims of bureaucrats Estate Planning For Dummies gives you the complete lowdown on Figuring out what you're really worth Mastering the basics of wills and probate Using will substitutes and dodging probate taxes Setting up protective trusts charitable trusts living trusts and more Making sense of state and federal inheritance taxes Avoiding the generation skipping transfer tax Minimizing all your estate related taxes Estate planning for family businesses Creating a comprehensive estate plan Straightforward reader friendly easy to use Estate Planning For Dummies is the ultimate guide to planning your family's future **Adoption For Dummies** Tracy L. Barr, Katrina Carlisle, 2011-04-22 You hear all sorts of things said or implied about adoption Some information comes from people who know a lot about it while some comes from people who don't know anything about it but make assumptions anyway Some comes from people whose experiences have been good some from those whose experiences have been bad The result Enough conflicting information to make your head spin So when everyone has an opinion and most of the books on the market deal with specific aspects on adoption or particular types of adoptions where do you turn to for reliable information Start with Adoption For Dummies The great thing about this guide is that you decide where to start and what to read It's a reference you can jump into and out of at will Just head to the table of contents or the index to find the information you want Each part of Adoption For Dummies covers a particular aspect of adoption including Answering the basic adoption questions How much does it cost Who's involved How long does it take What do I need to know that I don't know to ask And more Getting started and figuring out what steps you have to take Dealing with birthmothers and birthfathers and why even though they may not be part of your life they're still important to you Confronting the issues adoptive families face issues from sharing the adoption story with your child to answering your child's questions about his birthparents to handling rude family members who treat your child differently than her cousins Finding help from books resources and support groups No adoption book at least no adoption book that you can carry around without a hydraulic lift can tell you everything there is to know about adoption What Adoption For Dummies tells you is what you need to know all in an easy to use reference
