Lesson 1: Pulse in Music

Week 1

Introduction

In music, the duration of sound and silence is important. Duration refers to how long and how short tones and silence last. These tones and silence follow a certain beat. Beat can be felt with or without sound. We clap, walk, tap, march, dance, and play musical instruments to show the rhythm and beat of music.

Activity I

Sing "Leron, Leron Sinta" and move to the rhythm of the song.

Remember:

- The symbol (**l**) shows the pulse of the sound.
- **Rest** (**z**) is the symbol used to show silence.
- We can feel the pulse through clapping, tapping, walking, chanting, and playing rhythmic instruments.

Music, Moving & Learning in Early Childhood Paula Melville-Clark, 2006-01-01 *The Ways Children Learn Music* Eric Bluestine, 2000 How do children learn music And how can music teachers help children to become independent and self sufficient musical thinkers Author Eric Bluestine sheds light on these issues in music education

The Sage Handbook of School Music Education José Luis Aróstegui, Catharina Christophersen, Jeananne Nichols, Koji Matsunobu, 2024-09-27 The Sage Handbook of School Music Education stands as an essential guide for navigating the evolving educational landscape in the wake of the 2008 financial crisis and the transformative impact of the COVID 19 pandemic. The handbook addresses philosophical foundations, social justice challenges, the envisioning of a transformative curriculum, and critical issues in music teacher education. Written by a diverse team of leading scholars, this handbook offers a truly global perspective with contributors from Africa, Asia, Australasia, Europe, and North and South America. The handbook engages with the profound interplay of economic, political, and social forces that shape educational policies. Scholars within this collaborative work delve into what it means to educate in a world undergoing significant changes. This entails an exploration of emerging educational approaches, considerations for societal implications, and the interconnectedness of school music education with broader curricular and global contexts. As a cohesive resource, The Sage Handbook of School Music Education not only addresses the challenges faced by educators but also envisions the transformative potential of music education in fostering creativity, inclusivity, and adaptability. This handbook serves as a compass for students, practitioners, and scholars in the field and all those passionate about navigating the complexities of redefining music education for a new era. Part 1 Foundations, Part 2 Struggling for Social Justice Through Music Education, Part 3 Curriculum Development, Part 4 Teacher Education. **Introduction and Practical Guide to Music Education** Laura M Dornberger, 2018-04-03

Introduction and Practical Guide to Music Education provides students with comprehensive yet foundational knowledge of the music education profession. The book contains researched best practices for teaching music and guides readers through practical exercises to help them discover their own unique teaching style and approach. The text begins with a chapter that asks readers why they are considering a career in music education and also reveals the qualities of an effective music teacher. Later chapters provide students with a brief history of music education in the United States, introductions to educational psychology, sociology, and child development, practical advice for developing sound and successful lesson plans, strategies for teaching different types of students, tips for job interviews, and more. Each chapter includes references and discussion questions, and select chapters also feature a list of recommended readings for further exploration and independent learning. With emphasis on research and practical application, Introduction and Practical Guide to Music Education is a supportive and valuable guide for any student interested in a career in music education. Accessible and complete, the text is ideal for music seminars, music profession survey courses, and introductory music education courses. **The Living Touch**
