Embattled Hearts Military Romantic Suspense Lost And Found 1:

Embattled Hearts (Contemporary Military Suspense) J.M. Madden, 2014-03-06 John Palmer hasn't felt like a real man since he was injured during combat in Iraq. Though not content with his new life, he is mostly adapting just like the other vets at the Lost And Found Investigative Service. When Shannon Murphy is hired on as the new office manager, life suddenly gets a lot more interesting. Before long, John finds himself wondering if he could ever be the kind of man Shannon needs. Shannon Murphy wasn't really looking for love when she hired on at LNF but finds herself hopelessly attracted to the sex on wheels former Marine John Palmer. The man is grumpy and nearly impossible to work with, but his brand of masculinity appeals to her on a basic level. Soon Shannon is wondering just what it would take for John to want her the way she wants him. When an old enemy tries to settle a vendetta against Shannon, John insists on protecting her. He moves into her house, fanning the spark of attraction into a blaze. But the danger continues to escalate. Will the connection that they've found survive when they're thrust into a fight for their lives?

Embattled Home (Contemporary Military Suspense) J.M. Madden, 2014-04-26 His Marine training taught him that failure is never an option regardless of circumstances. That certainly applies to Chad's need to stop Lost and Found's deranged client from using the information he gathered to stalk and abuse his ex. Falling in love with the broken woman and her sweet daughter in the middle of rescuing them is definitely not the best timing. But it's also inevitable. In Book 3 of this heart-warming military romance series, Chad will discover that protecting Lora is a much easier task than proving he's the one man she can finally trust with her heart. Weeks of no incriminating evidence should have clued him in sooner about who was the real victim. Now Chad Lowell is wracked with guilt after the woman he's assigned to investigate is attacked by her abusive ex-husband right under his nose. Lora and her little girl are in incredible danger, and he vows to protect them at all costs, whether the angry and hurt woman wants him to or not. His Marine training makes the protecting part easy, but nothing he does seems to make Lora want to take a chance on him or his love. Lora O'Neil left a life of abuse to make a new start for herself and her daughter. When her ex hires Lost and Found Investigative Service to track her down, she's left reeling both physically and emotionally. The private detective that had been watching her for the past couple of months did finally come to her rescue, but does that mean she should now trust him to help her turn their lives around? The sexy former Marine makes her body feel things she thought she

d never feel for a man again but she just can't imagine what it would take for her to heal enough to ever say yes

The Embattled Road J.M. Madden, 2015-02-19

This is a 20,000 word story prequel to the Lost and Found Series. It contains strong language, violence, and adult situations. Not for readers under 18.

In the harrowing prequel to The Lost and Found series, three embattled Marines must deal with their devastating physical and emotional injuries in a world that seems to have turned against them. When the rescue helicopter crashes into his convoy in Iraq, Marine First Sergeant Duncan Wilde struggles with the loss of men, his career, and the use of his body. Things can't get much worse. Until his fiancée decides she has to move on with her life, and that of her unborn child, by another man. Sergeant Chad Lowell knew when he went to war that it would come with a price. And it did. A young Marine under his command is killed by a landmine. Chad's left with one less leg and a mountain of recriminations. That doesn't mean he wants to be pitied by every female he comes in contact with. Gunnery Sergeant John Palmer is furious at the hand he's been dealt. He's served his country faithfully, if not without antagonism, for many years. Now they're turning him out like a relative who has overstayed his welcome. And since he's not even a real man anymore, maybe it is time to move on.

permanently Can these wounded warriors use a friendship borne out of adversity to form a partnership rescuing others And can they find real love in spite of their challenges
