

# EMBODYING FORGIVENESS

A Theological Analysis

L. GREGORY JONES

# Embodying Forgiveness A Theological Analysis

**Robert D. Enright, Joanna North**

## **Embodying Forgiveness A Theological Analysis:**

*Embodying Forgiveness* L. Gregory Jones, 1995 The practice of forgiveness is often taken to be either too easy or too difficult On the one hand forgiveness is sometimes made too easy by today's therapeutic culture which views forgiveness mainly as a means for making ourselves and others feel better On the other hand forgiveness is sometimes taken to be too difficult by those who believe that violence is the only effective force for responding to injustice This engaging volume by L. Gregory Jones argues that neither of these extreme views is appropriate and offers to society as a whole an effective and biblically centered exploration of what it truly means to embody Christian forgiveness *Embodying Forgiveness* L. Gregory Jones, Evangelical Contribution on Northern Ireland, 2002 *The Encyclopedia of Christianity* Erwin Fahlbusch, Geoffrey William Bromiley, 1999 The Encyclopedia of Christianity is the first of a five volume English translation of the third revised edition of Evangelisches Kirchenlexikon Its German articles have been tailored to suit an English readership and articles of special interest to English readers have been added The encyclopedia describes Christianity through its 2000 year history within a global context taking into account other religions and philosophies A special feature is the statistical information dispersed throughout the articles on the continents and over 170 countries Social and cultural coverage is given to such issues as racism genocide and armaments while historical content shows the development of biblical and apostolic traditions This comprehensive work while scholarly is intended for a wide audience and will set the standard for reference works on Christianity Outstanding reference sources 2000 American Libraries May 2000 Comp by the Reference Sources Committee RUSA ALA **Sehnsucht: The C. S. Lewis Journal** Bruce R. Johnson, 2016-12-14 Sehnsucht The C. S. Lewis Journal established by the Arizona C. S. Lewis Society in 2007 is the only peer reviewed journal devoted to the study of C. S. Lewis and his writings published anywhere in the world It exists to promote literary theological historical biographical philosophical bibliographical and cultural interest broadly defined in Lewis and his writings The journal includes articles review essays book reviews film reviews and play reviews bibliographical material poetry interviews editorials and announcements of Lewis related conferences events and publications Its readership is aimed at academic scholars from a wide variety of disciplines as well as learned non scholars and Lewis enthusiasts At this time Sehnsucht is published once a year **Forgiveness and Truth** Alistair McFadyen, Marcel Sarot, 2002-01-01 An international group of theologians considers the importance of forgiveness and truth in the modern world Dogmatic and practical theological themes are addressed including Christology and atonement forgiving abusive parents the economics of forgiveness forgiveness in Northern Ireland and shame sin and guilt Contributors include Deborah van Deusen Hunsinger Peter Selby Christopher Jones Fraser Watts Peter Sedgwick Jane Craske Todd Pokrifka Joe Nico Schreurs Alwyn Thompson and David Self **The Art of Forgiveness** Myk Habets, Philip Halstead, 2018-10-31 Forgiveness is at the heart of the Christian Gospel It goes hand in hand with love mercy and grace the fundamental theological virtues However forgiveness is easier to define than it is to embody This unique collection of essays

brings together theologians ethicists and ministry practitioners into a constructive dialog which explores the complex and crucial concept of forgiveness what it is where it is to be found and how it might be practiced These essays reflect the perspectives of those from various traditions who nonetheless take the Christian Scriptures seriously believe that forgiveness is central to living out the Gospel and are creative in the ways in which forgiveness can be practiced Forgiveness is an art and not simply a science as such it requires trust skill and hope alongside love mercy and grace if it is to be embodied This volume offers a unique window into the art of forgiveness and the faithful and innovative ways in which it is to be understood embodied and cultivated

The Healing of Nations Mark R. Amstutz, 2005 How does one forgive an international political transgression as deep as genocide or apartheid Forgiveness is often conceived of as an element of personal morality and even at that it is difficult This book argues that it is also an essential part of political ethics especially when dealing with collective wrongdoing by political regimes In the past a retributive justice demanding prosecution and punishment of all past offenses has kept the international community away from moving on to the next step in regime change Here Mark R Amstutz takes a restorative justice approach calling for nations to account for crimes through truth commissions public apology and repentance reparations and ultimately forgiveness and the lifting of deserved penalties The distinctive feature of forgiveness is the balance it strikes between backward looking accountability and forward looking reconciliation The Healing of Nations combines a theory of the role of forgiveness in public life with four key case studies that test this ethic Argentina Chile Northern Ireland and South Africa Amstutz uses the hard cases to illustrate the promise and limits of forgiving without forgetting

The Stranger's Voice Carol L. Schnabl Schweitzer, 2010 especially those who have sensed that the denial of the mother's voice has played a critical role in their own self alienation and its melancholy moods will discover that this book has much to offer them as well Donald Capps Princeton Theological Seminary Book Jacket

**The Way of Forgiveness** Marjorie J. Thompson, 2002 The Way of Forgiveness Leader's Guide is also available It takes a lot of willingness and practice to see life from God's perspective Perhaps nothing goes more against the grain of human nature than forgiving those who wound us and accepting forgiveness from others But practicing forgiveness will transform your life and help you grow in the heart and mind of Christ In The Way of Forgiveness an 8 week small group study Marjorie Thompson examines shame guilt and anger helping you release these emotions so you can move toward wholeness She also deals with the topics of receiving God's forgiveness forgiving others and seeking reconciliation Thompson gives guidance for such ticklish questions as Does forgiveness mean release from consequences of sin Are there no limits to forgiveness How do we deal with absent offenders or people who refuse to forgive us A unique feature of this book is the inclusion of a reproduction of Rembrandt's Return of the Prodigal Son Over the course of the study the artwork will serve as a focal point for reflection and discovery

**Journal of Theology for Southern Africa**, 2000 *Pro Ecclesia*, 1998 **Exploring Forgiveness** Robert D. Enright, Joanna

North, 1998-04-15 Pioneers in the study of forgiveness Robert Enright and Joanna North have compiled a collection of twelve

essays ranging from a first person account of the mother of a murdered child to an assessment of the United States post war reconciliations with Germany and Vietnam This book explores forgiveness in interpersonal relationships family relationships the individual and society relationship and international relations through the eyes of philosophers and educators as well as a psychologist police chief turned minister law professor sociologist psychiatrist social worker and theologian *Forgiveness and Abuse: Jewish and Christian Reflections* Marie M. Fortune, Joretta L. Marshall, 2002 Forgive and forget Under normal circumstances it is difficult enough but for victims of domestic or sexual abuse it is exponentially harder Can you forgive the unforgivable Using research studies stories and prayer *Forgiveness and Abuse Jewish and Christian Reflections* focuses on forgiveness and reconciliation by abuse victims Several religious authors discuss their own views and opinions as well as share the wisdom of their traditional religious teachings With the events of recent years weighing heavily on society's shoulders this collection is vital reading for clergy counselors therapists and the abuse survivors themselves **The Ethics of Forgiveness** Christel Fricke, 2011 We are often pressed to forgive or in need of forgiveness Wrongdoing is common Even after a perpetrator has been taken to court and punished forgiveness still has a role to play How should a victim and a perpetrator relate to each other outside the courtroom and how should others relate to them Communicating about forgiveness is particularly urgent in cases of civil war and crimes against humanity inside a community where if there were no forgiveness the community would fall apart Forgiveness is governed by social and in particular by moral norms Do those who ask to be forgiven have to fulfil certain conditions for being granted forgiveness And what does the granting of forgiveness consist in We may feel like refusing to forgive those perpetrators who have committed the most horrendous crimes But is such a refusal justified even if they repent their crimes Could there be a duty for the victim to forgive Can forgiveness be granted by a third party Under which conditions may we forgive ourselves The papers collected in the present volume address all these questions exploring the practice of forgiveness and its normative constraints Topics include the ancient Chinese and the Christian traditions of forgiveness the impact of forgiveness on the moral dignity and self respect of the victim self forgiveness the narrative of forgiveness as well as the limits of forgiveness Such limits may arise from the personal historical or political conditions of wrongdoing or from the emotional constraints of the victims *The Mennonite Quarterly Review*, 2010 **Virtues & Practices in the Christian Tradition** Nancey C. Murphy, Brad J. Kallenberg, Mark Nation, 1997 Includes articles on family virtues homosexuality abortion pacifism racism feminism and business ethics and Christian economy **Seeking Forgiveness** Glen Allan Pettigrove, 2003 **Encyclopedia of Christian Theology** Jean-Yves Lacoste, 2005 **The Best Interests of the Child**, 2008 **Holy Saturday Faith** Ian G. Wallis, 2000 A theology of Easter Saturday which aims to illuminate its true significance for contemporary Christians Offering a humane and liberal theology Ian Wallis uses insights from the anatomy of grief to explore how the earliest community of faith responded to the agony of loss accompanying Jesus death According to this interpretation Holy Saturday represents the interval of

bereavement wherein the real significance of Jesus continuing impact for faith was discovered
