**Yoga as Embodied Resistance** Anjali Rao, 2025-10-14 What does yoga have to do with caste gender and power This groundbreaking work explores how yoga can be a vital path to resistance agency and collective liberation Yoga as Embodied Resistance illuminates the essential but often unseen relationships between caste and gender in yoga Bridging scholarship history and cultural analysis yoga educator and practitioner Anjali Rao exposes how caste oppression patriarchy and colonization impact contemporary practice and offers readers radical ways to re envision a yoga grounded in liberation inquiry discernment and even dissent Rao calls upon us to realize the work of co creating a compassionate and courageous world uplifting the stories of women and gender expansive people who confront caste and gender dominance The stories or kathas reflect different parts of yoga history from the Upanishads the Puranas and the Bhakti renaissance and highlight the seismic shifts in consciousness about the potential of spiritual teachings for social change She explores Foundational histories of yoga caste and Hinduism The tensions among yoga nationalism anticolonialism and Indigeneity The impacts and intersections of yoga gender caste and culture Brahminical appropriation and its relationship to eros spirituality and loving devotion Sanskritization vernacularization and the impact of patriarchy on bodily expression Bhakti as a subversive tool of personal agency and anticolonial resistance With provocative chapters like Is Yoga Hindu and a foreword from Thenmozhi Soundararajan Rao s work is both an invitation and a force of nature that lights up the path of yoga toward brighter just and more liberated futures

*Decolonizing Bodies* Carolyn Ureña, Saiba Varma, 2025-01-23 Decolonizing Bodies offers novel theorizations of how racial capitalism colonialism and heteropatriarchal violence erode the bodily schema and experiences of racialized and colonized populations profoundly constraining their being in the world The book invigorates embodiment studies by centering the experiences and struggles of Black Indigenous colonized disabled queer and racialized subjects showing how they live these displacements and disintegrations The volume powerfully demonstrates how racism and colonialism sediment in bodily and habitual registers that are active ongoing made and remade Bodies the contributors argue powerfully register the impacts of colonial and racialized violence but through practices of embodiment they also digest expel and transform them In centering non normative subjective experiences and making space for different kinds of embodied knowledge Decolonizing Bodies also takes a step toward decolonizing academic knowledge This exciting and urgent book offers readers new ways of imagining choreographing and enacting the body Beyond connecting distant geographies of harm it celebrates polymorphous decolonial repertoires that record creatively narrate and heal

**Adaptive Hot Cognition: How Emotion Drives Information Processing and Cognition Steers Affective Processing** Mariska E. Kret, Bruno R. Bocanegra, 2017-05-02 Influential theories have argued that affective processing is fundamentally different from cognitive processing Others have suggested that theoretical boundaries between affective and cognitive processing are artificial and

inherently problematic Over recent years different positions on these issues have fueled many empirical studies investigating the mechanisms underlying cognitive and affective processing Where and on what basis should we draw the line between cognition and emotion Are there fundamental distinctions to be made between the way emotion influences cognition and cognition influences emotion How does the reciprocal interaction between emotion and cognition lead to adaptive behavior This Research Topic explores the nature of the reciprocal interaction between emotion and cognition from a functional perspective

lack of a social safety net to support them writer Angela Garbes found herself pondering a vital question How under our current circumstances that leave us lonely exhausted and financially strained might we demand more from American family life In *Essential Labor* Garbes explores assumptions about care work and deservedness offering a deeply personal and rigorously reported look at what mothering is and can be A first generation Filipino American Garbes shares the perspective of her family's complicated relationship to care work placing mothering in a global context the invisible economic engine that has been historically demanded of women of color Garbes contends that while the labor of raising children is devalued in America the act of mothering offers the radical potential to create a more equitable society In *Essential Labor* Garbes reframes the physically and mentally draining work of meeting a child's bodily and emotional needs as opportunities to find meaning to nurture a deeper sense of self pleasure and belonging This is highly skilled labor work that impacts society at its most foundational level Part galvanizing manifesto part poignant narrative *Essential Labor* is a beautifully rendered reflection on care that reminds us of the irrefutable power and beauty of mothering
