Perhaps I should admit on the title page that this book is By L Frank Baum and his correspondents for I have used many suggestions conveyed to me in letters from children Once on a time I really imagined myself an author of fairy tales but now I am merely an editor or private secretary for a host of young sters whose ideas I am requestsed to weave into the thread of my stories These ideas are often clever They are also logical and inter esting So I have used them whenever I could find an opportun ity and it is but just that I acknowledge my indebtedness to my little friends My what imaginations these children have developed Some times I am fairly astounded by their daring and genius There will be no lack of fairy tale authors in the future I am sure My readers have told me what to do with Dorothy and Aunt Em and Uncle Henry and I have obeyed their mandates They have also given me a variety of subjects to write about in the future enough in fact to keep me busy for some
