The Best Bug Out Bags for Survival Survival Nick, 2018-03-05 Every person should have a bug out bag in their home Just as we should all have a fire extinguisher smoke detectors an emergency contact list and a first aid kit for safety reasons we should all also have a bug out bag Whether you are a seasoned survivalist who makes disaster preparation a priority or just an ordinary person who doesn't give disaster preparation much thought having a high quality and well assembled bug out bag or disaster kit ready to go is just common sense What is a bug out bag A bug out bag is a backpack of survival items that you would grab and take with you should you ever need to evacuate your home If a devastating natural disaster such as a hurricane or a wildfire strikes and the authorities order you to

leave for your safety you will have to depend on the items within your bug out bag for you and your family's survival. Equally as imperative as the items within your bug out bag is the backpack that will serve as the bug out bag itself. Just as you don't want low quality survival items you also don't want a low quality backpack, do you? This book will talk about both of these topics in great detail: a set of guidelines on how to choose a high quality bug out bag and a list and description of the best makes and models of bug out bags that money can buy without spending a fortune and a comprehensive list of the items you need to have in it and how to pack those items to maximize space. Remember bug out bags are not for preppers only. They are for everyone. After you choose a bug out bag and fill it up with the items you need you can just set your bug out bag in the closet and forget about it until the time comes to use it. Just don't completely forget about it because you must remember to grab it if you are ever forced to evacuate. In this guidebook we will cover the following topics in detail: How To Choose The Best Bug Out Bag, Qualities To Look For, Where Should You Keep Your Bug Out Bag, The Most Important Items To Keep In Your Bug Out Bag, How To Pack Your Bug Out Bag For Optimum Performance, The Best Models of Bug Out Bags On The Market, Buyer's Guide. After you have read this book you will have greatly increased your knowledge by learning about the qualities your bug out bag needs to have, the exact items you need to have in your bug out bag, the best models of bug out bags in existence and how to properly pack and store your bug out bag. You are responsible for your and your family's well being in the event of a major disaster. This is why having a high quality bug out bag is so important. Whether you have a quality bug out bag or not can literally mean the difference between life and death should a major disaster ever occur.

Prepping Complete Reference About Creating Your Own Bug Out Bag. You never know when an emergency is going to strike and when it does you have to go. You might have to leave your house at a moment's notice and you may not know when you are going to be back. Perhaps you don't know where you are going, perhaps you have a rough idea but you have to leave so quickly you have no time to grab anything you need. Being paranoid isn't at all healthy but being prepared is one of the best things you could possibly do. If you are ready to go at any time you can rest easy knowing you are going to be fine no matter what happens. There are so many different kinds of things that could happen and that could force you out of your home for any length of time and when that happens you need to be ready. But when you have to get going you don't have time to pack and you may not have the time to grab a bunch of things. You have to get up and go and you have to go now. That is where the handy little bug out bag comes into play. What is a bug out bag? Well, it's a handy little kit that will aid in your survival and comfort for seventy-two hours. This means it's everything you need to stay on the go for three days, enough time to get you where you need to go or to aid you in finding the help you need. Of course you can purchase one of these bags but that doesn't give you much say over what goes into it. And that is exactly what this book is going to show you how to do: Assemble your own bug out bag and be ready for anything. Customize your bug out bag based on

where you live and what you need Put what you want in there and know without a doubt you have what you need And more
