The Lake District Murder John Bude, 2016-12-06 Mystery crime fiction written in the Golden Age of Murder Originally published in 1935 Bude's murder mystery remains as intriguing today as it was upon its release almost 80 years ago Publishers Weekly When a body is found at an isolated garage Inspector Meredith is drawn into a complex investigation where every clue leads to another puzzle was this a suicide or something more sinister Why was the dead man planning to flee the country And how is this connected to the shady business dealings of the garage This classic mystery novel is set amidst the stunning scenery of a small village in the Lake District It is now republished for the first time since the 1930s with an introduction by the award winning crime writer Martin Edwards

The Hog's Back Mystery Freeman Wills Crofts, 2015-07-07 Mystery crime fiction written in the Golden Age of Murder As pretty a piece of work as Inspector French has done On the level of Mr Crofts very best which is saying something Daily Telegraph Dr James Earle and his wife live in comfortable seclusion near the Hog's Back a ridge in the North Downs in the beautiful Surrey countryside When Dr Earle disappears from his cottage Inspector French is called in to investigate At first he suspects a simple domestic intrigue and begins to uncover a web of romantic entanglements beneath the couple's peaceful rural life The case soon takes a more complex turn Other people vanish mysteriously one of Dr Earle's house guests among them What is the explanation for the disappearances If the missing people have been murdered what can be the motive This fiendishly complicated puzzle is one that only Inspector French can solve Freeman Wills Crofts was a master of the intricately and ingeniously plotted detective novel and The Hog's Back Mystery shows him at the height of his powers This new edition of a classic mystery is introduced by the crime fiction expert Martin Edwards

The Body in the Dumb River George Bellairs, 2019-08 Jim Teasdale has been drowned in the Dumb River near Ely miles from his Yorkshire home His body clearly dumped in the usually silent dumb waterway has been discovered before the killer intended disturbed by a torrential flood With critical urgency it's up to Superintendent Littlejohn of Scotland Yard to trace the mystery of the unassuming victim's murder to its source leaving waves of scandal and sensation in his wake as the hidden salacious dealings of Jim Teasdale begin to surface Provided by publisher

Death of a Busybody George Bellairs, 2017 Mystery crime fiction written in the Golden Age of Murder Fascinating period detail from the blackout days a plot that keeps surprising and contemporary crime novelist Martin Edwards insightful introduction add to the fun Booklist Miss Tither the village busybody is not the best loved resident of Hilary Magna She has made many enemies bombarding the villagers with religious tracts berating drunkards and informing the spouses of cheating partners Her murder however is still a huge shock to the Reverend Ethelred Claplady and his parish Inspector Littlejohn's understanding of country ways makes him Scotland Yard's first choice for the job Basing himself at the village inn Littlejohn works with the local police to investigate what lay behind the murder A second death does little to settle the collective nerves of the village and as events escalate a strange tale of hidden identities repressed resentment religious

fervour and financial scams is uncovered Life in the picturesque village of Hilary Magna proves to be very far from idyllic

Death Makes a Prophet John Bude,2018-01-02 Mystery crime fiction written in the Golden Age of Murder The stranger in a strange land premise works really well in this revived mystery Bude infuses the tale with comic commentary throughout Booklist Small hostilities were growing vague jealousies were gaining strength and far off wasn't there a nebulous hint of approaching tragedy in the air Welworth Garden City in the 1940s is a forward thinking town where free spirits find a home vegetarians socialists and an array of exotic religious groups Chief among these are the Children of Osiris led by the eccentric High Prophet Eustace K Mildmann The cult is a seething hotbed of petty resentment jealousy and dark secrets which eventually lead to murder The stage is set for one of Inspector Meredith's most bizarre and exacting cases This witty crime novel by a writer on top form is a neglected classic of British crime fiction *The Widow of Bath* Margot
