Awakening the Below Oholomo, 2025-10-28 A guide to assist those in spiritual crisis or difficulty This book is a companion for those who are traversing the underbelly of the awakening process difficult emotions trauma strange bodily ailments spirits ghosts ancestors demons the imaginal the soul energies of the earth the elements the dark feminine etc This is what the author calls the Below Without any background knowledge to help contextualise these things surprise openings to the Below can be difficult to understand They are consequently often interpreted as spiritual emergencies or mental health crises rather than the blessings and opportunities that they truly can be The goal of this book is to validate and normalise such experiences in order to encourage people to lean into and even embrace the precious dark wisdom that comes from Below Awakening the Below will allow readers to recognise the signs of the Below when they appear supporting them in navigating the territory more confidently and to fully integrate these experiences into their spiritual development in a healthy and Waking Up in 5D Maureen J. St. Germain, 2017-09-12 Tools and teachings to guide you in the transition meaningful way from the polarized mindset of the 3rd dimension to the joy and love of 5th dimensional vibrations Explains how to recognize the 5D experiences you we already had identify the differences between 3D linear thinking and 5D multidimensional thinking and turn 3D viewpoints around to expand your perception of what is possible Includes exercises to protect your energies especially while sleeping and Sacred Geometry meditations to open yourself to higher frequencies Reveals how to develop a Higher Self connection increase your sensitivity to dimensional signatures and consciously choose 5D where love is the governing force We are all transitioning from the narrowly focused and polarized awareness of the Third Dimension and waking up to the higher vibrations and abilities of the Fifth Dimension Each of us has already experienced 5D Think about your most memorable and uplifting experiences of the recent past where everything went well interactions were harmonious and loving and all felt blissful and happy that s 5D For some the shift is sudden and permanent but for many of us the change is gradual coming in fleeting moments and waves In this ascension manual spiritual teacher Maureen J St Germain explains how to shift your energetic patterns and choose to permanently anchor yourself in the joy love and kindness of 5D Guiding you through the opportunities the Fifth Dimension has to offer the author reveals how to develop a Higher Self connection increase your sensitivity to dimensional signatures and consciously choose 5D where love is the governing force She shows how 5D relates to 3D as well as to 4D the transitional dimension between the two and explains how to read the energy patterns that distinguish one dimension from the next as well as how to experience multiple dimensions simultaneously She

explores how to identify the differences between good vs evil polarized 3D linear thinking and dynamic 5D multidimensional thinking and how to turn 3D viewpoints around to expand your perception of what is possible Offering eye opening stories of 5D experiences from students and inspiring information from her spirit guides the author also details exercises to protect your energies especially while sleeping and provides Sacred Geometry meditations to activate your 8th chakra and open yourself to higher frequencies She also explores how awakening to 5D allows you to form a strong bond to global consciousness so your personal transformations will have a more profound impact on the people in your circle and beyond
