**War and Conscience in Japan** Nambara Shigeru, 2011 One of Japan's most important intellectuals Nambara Shigeru defended Tokyo Imperial University against its rightist critics and opposed Japan's war His poetic diary 1936-1945 published only after the war documents his profound disaffection In 1945 Nambara became president of Tokyo University and was an eloquent and ardent spokesman for academic freedom Among his most impressive speeches are two memorials to fallen student soldiers which directly confront Nambara's wartime dilemma what and how to advise students called up to fight a war he did not believe in In this first English language collection of his key work historian and translator Richard H Minear introduces Nambara's career and thinking before presenting translations of the most important of Nambara's essays poems and speeches A courageous but lonely voice of conscience Nambara is one of the few mid century Japanese to whom we can turn for inspiration during that dark period in world history

**Tiananmen Moon** Philip J Cunningham, 2014-05-05 This compelling book provides a vivid firsthand account of the student demonstrations and massacre in Tiananmen Square in 1989 Uniquely placed as a Western observer drawn into active participation through Chinese friends in the uprising Philip J Cunningham offers a remarkable day by day account of Beijing students desperately trying to secure the most coveted political real estate in China in the face of ever more daunting government countermoves Tiananmen Moon takes the reader into the thick of the 1989 protests while also following the parallel response of an unprepared but resourceful Western media In this revised and expanded edition Cunningham recounts rare vignettes about life in Tiananmen Square under student leadership including previously unpublished material There is an account of the Goddess of Democracy being unveiled a whimsical trip to the countryside that ends up on a collision course with PLA troops readying for attack the tale of a near riot when a reporter is mistaken for Gorbachev the saga of a tearful leader who quits and dictates her last will and testament to the author and a dramatic account of futile resistance in the face of an unforgiving crackdown The book chronicles the opportunistic and awkward tango between naive student activists and jaded foreign journalists in which after a month of mutual courting the tables turn and the now savvy students watch the journalists seduced and confused run circles just trying to keep up During the hunger strike under the light of a full moon China bares its conflicted soul to the world the mournful cry for reform amplified by the footsteps of a million peaceful marchers This remarkable testament to a searing

month that changed China forever serves as a witness to the rise and fall of an uprising capturing the plaintive and lyrical beauty of a dream that endures and continues to haunt the country today **China Ink** Judy Polumbaum, Lei Xiong, 2008-05-29 This lively book explores changes in contemporary China through the compelling personal accounts of young Chinese journalists Through a series of engaging oral histories Judy Polumbaum puts a human face on vital issues of freedom of expression and information that will chart China's future The Journal of Korean Studies, 1979 **The Journal of Japanese Studies**, 2008 A multidisciplinary forum for communicating new information new interpretations and recent research results concerning Japan to the English reading world *Dancing in Shadows* Benny Widoyo, 2008 This fascinating book recounts the remarkable tale of a career UN official caught in the turmoil of international and domestic politics swirling around Cambodia after the fall of the Khmer Rouge First as a member of the UN transitional authority and then as a personal envoy to the UN secretary general Benny Widoyo re-creates the fierce battles for power centering on King Norodom Sihanouk the Khmer Rouge and Prime Minister Hun Sen He also sets the international context arguing that great power geopolitics throughout the Cold War and post Cold War eras triggered and sustained a tragedy of enormous proportions in Cambodia for decades leading to a flawed peace process and the decline of Sihanouk as a dominant political figure Putting a human face on international operations this book will be invaluable reading for anyone interested in Southeast Asia the role of international peacekeeping and the international response to genocide American Book Publishing Record, 2007 *North Korea* Sonia Ryang, 2009 This volume attempts to multiply the angles from which we can look at North Korea by reassessing the international environment in which it is placed the process of production of its culture and the historical paths it followed Due to the new approach the volume takes reading these pages will be an eye opening experience not only for experts but also for lay readers and anyone who is interested in peace keeping in Korea Northeast Asia and beyond Book Review Index - 2009 Cumulation Dana Ferguson, 2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year The New York Times Index, 1999 *Exodus to North Korea* Tessa Morris-Suzuki, 2007-03-15 Ranging from Geneva to Pyongyang this remarkable book takes readers on an odyssey through one of the most extraordinary forgotten tragedies of the Cold War the return of over 90 000 people most of them ethnic Koreans from Japan to North Korea from 1959 onward Presented to the world as a humanitarian venture and conducted under the supervision of the International Red Cross the scheme was actually the result of political intrigues involving the governments of Japan North Korea the Soviet Union and the United States The great

majority of the Koreans who journeyed to North Korea in fact originated from the southern part of the Korean peninsula and many had lived all their lives in Japan. Though most left willingly persuaded by propaganda that a bright new life awaited them in North Korea, the author draws on recently declassified documents to reveal the covert pressures used to hasten the departure of this unwelcome ethnic minority. For most, their new home proved a place of poverty and hardship for thousands; it was a place of persecution and death. In rediscovering their extraordinary personal stories, this book also casts new light on the politics of the Cold War and on present day tensions between North Korea and the rest of the world. *Koreans in Japan* Sonia Ryang, 2000. Koreans in Japan are a barely known minority not only in the West but also within Japan itself. This pioneering study analyzes these relations in the context of the particular conditions and constraints that Koreans face in Japanese society. The contributors cover a wide range of topics including the legal and social status of Koreans in Japan, the history of Korean colonial displacement and postcolonial division during the Cold War, ethnic education, women's self-expression. These studies serve to reveal the highly resilient and diverse reality of this minority group whilst simultaneously highlighting the fact that despite recent improvement, legal, social and economic constraints continue to exist in their lives.

**Suffering and Smiling** Byung-Ho Chung, 2024-10-01. *Suffering and Smiling: Daily Life in North Korea* is a field report of North Korean culture based on two decades of the author's personal observation and contact with people. The dichotomy of suffering and smiling becomes a lens through which the author observes the transformation and resilience of North Korean life. The book delves into historical struggles such as the Arduous March against Imperial Japan and the 1990s famine, juxtaposed with the persistent theme of smiling propagated by the regime. The author also weaves in the experiences of North Koreans, highlighting their ability to find humor and maintain humanity despite oppressive conditions. Anecdotes such as spontaneous comments from refugees showcase the resilience and subversive humor ingrained in North Korean culture. Despite its isolation and nuclear ambitions, the country is undergoing rapid social changes with informal connections to the global capitalist system. The book provides readers with empathetic glasses to view North Korea while considering its historical trauma and the enduring impact of the Korean War. It promises a rich exploration of North Korean life, offering readers a compelling narrative that combines personal experiences, political insights, and cultural analysis. It sets the stage for a comprehensive understanding of a nation often shrouded in mystery and misunderstood by the outside world. Diaspora Without Homeland Sonia Ryang, John Lie, 2009-04-27. *Diaspora without Homeland* sets a new standard for the study of the Japanese Korean diaspora. Beginning with Sonia Ryang's evocative introduction, the uniformly excellent chapters in this volume reveal the rich and complex experience of being Korean in Japan. Nancy Abelmann, University of Illinois. Cold War Friendships Josephine Nock-Hee Park, 2016. *Cold War Friendships* explores the plight of the Asian ally of the American wars in Korea and Vietnam. Enlisted into proxy warfare, this figure is not a friend but a friendly, a wartime convenience enlisted to serve a superpower. It is through this deeply unequal relation, however, that the Cold War friendly secures her own integrity and

insists upon her place in the neocolonial imperium This study reads a set of highly enterprising wartime subjects who make their way to the US via difficult attachments American forces ventured into newly postcolonial Korea and Vietnam both plunged into civil wars to draw the dividing line of the Cold War The strange success of containment and militarization in Korea unraveled in Vietnam but the friendly marks the significant continuity between these hot wars In both cases the friendly justified the fight she was also a political necessity who redeployed cold war alliances and remarkably made her way to America As subjects in process and indeed proto Americans these figures are prime literary subjects whose processes of becoming are on full display in Asian American novels and testimonies of these wars Literary writings on both of these conflicts are presently burgeoning and *Cold War Friendships* performs close analyses of key texts whose stylistic constraints and contradictions shot through with political and historical nuance present complex gestures of alliance
