Comedy Quotes from the Movies Larry Langman,Paul Gold,2001-05-29 Clever repartee double entendres punch lines and many other variations of humor have been a staple of movie dialogue since the advent of talkies Collected here are over 4 000 of the best comedic lines from the movies The compilers of this book have tried to bring together some of the funniest wittiest and most outrageous snatches of dialogue on film over a sixty year time period For each entry the authors set the quotation in context provide the name of the actor or actress the name of the movie and the year of release The quotations are arranged by a broad range of categories such as politics food and eating gambling and many others A title index and a name index follow the body of the book

Food History Sylvie Vabre,Martin Bruegel,Peter J. Atkins,2021-05-17 This pioneering book elevates the senses to a central role in the study of food history because the traditional focus upon food types quantities and nutritional values is incomplete without some recognition of smell touch sight hearing and taste Eating is a sensual experience Every day and at every meal the senses of smell touch sight hearing and taste are engaged in the acts of preparation and consumption And yet these bodily acts are ephemeral their imprint upon the source material of history is vestigial Hitherto historians have shown little interest in the senses beyond taste and this book fills that research gap Four dimensions are treated Words Symbols and Uses Describing the Senses an investigation of how specific vocabularies for food are developed Industrializing the Senses an analysis of the fundamental change in the sensory qualities of foods under the pressure of industrialization and economic forces outside the control of the household and the artisan producer Nationhood and the Senses an exploration of how the combination of the senses and food play into how nations saw themselves and how food was a signature of how political ideologies played out in practical everyday terms Food Senses and Globalization an examination of links between food the senses and the idea of international significance Putting all of the senses on the agenda of food history for the first time this is the ideal volume for scholars of food history food studies and food culture as well as social and cultural historians Putting all of the senses on the agenda of food history for the first time this is the ideal volume for scholars of food history food studies and food culture as well as social and cultural historians **Oxford**
