Unexpected Alison Piepmeier, 2021-02-23 What prenatal tests and down syndrome reveal about our reproductive choices When Alison Piepmeier scholar of feminism and disability studies and mother of Maybelle an eight year old girl with Down syndrome died of cancer in August 2016 she left behind an important unfinished manuscript about motherhood prenatal testing and disability In Unexpected George Estreich and Rachel Adams pick up where she left off honoring the important research of their friend and colleague as well as adding new perspectives to her work Based on interviews with parents of children with Down syndrome as well as women who terminated their pregnancies because their fetus was identified as having the condition Unexpected paints an intimate nuanced picture of reproductive choice in today s world Piepmeier takes us inside her own daughter s life showing how Down syndrome is misunderstood stigmatized and condemned particularly in the context of prenatal testing At a time when medical technology is rapidly advancing Unexpected provides a much needed perspective on our complex and frequently troubling understanding of Down syndrome

Mothering Special Needs Anna Kingston, 2007-04-15 This book explores the lived experience of mothers raising a child with a learning disability through interviews with mothers of children with autistic spectrum disorder ASD attention deficit hyperactivity disorder ADHD and Down syndrome With frequent personal accounts from mothers themselves Mothering Special Needs encourages other women who have children with special needs to recognize and express their own aspirations and needs for self fulfilment It addresses the social construction of motherhood discussing issues such as mother blame and society s images of the self sacrificing mother in the context of raising a child with a learning disability It also looks at real life experiences of working with professionals giving examples of both good and bad practice This is an invaluable book for mothers as well as for professionals working with families that include children with disabilities

Gentle Birth, Gentle Mothering Sarah Buckley, 2013-02-20 An authoritative guide to natural childbirth and postpartum parenting options from an MD who home birthed her own four children Sarah Buckley might be called a third wave natural birth advocate A doctor and a mother she approaches the question of how a woman and baby might have the most fulfilling birth experience with respect for the wisdom of both medical science and the human body Using current medical and epidemiological research plus women s experiences including her own she demonstrates that what she calls undisturbed birth is almost always healthier and safer than high technology approaches to birth Her wise counsel on issues like breastfeeding and sleeping during postpartum helps extend the gentle birth experience into a gentle parenting relationship

Pregnancy Stories Cecelia A. Cancellaro, 2001 Cecelia Cancellaro has collected the most fascinating accounts of women s pregnancies What these many stories show is that it is really impossible to predict not only the events leading up to the birth but the stories themselves Elisabeth Bing author of Six Practical Lessons for an Easier Childbirth Compiled for women who are or want to be pregnant as well as their families and friends these true tales provide answers to the questions all pregnant women ask themselves

Lively and absorbing each story demystifies the nine months ahead Shelves of pregnancy books tell what pregnancy should be like but this book tells it like it is **The Disability Studies Reader** Lennard J. Davis,2013 The Fourth Edition of the Disability Studies Reader breaks new ground by emphasizing the global transgender homonational and posthuman conceptions of disability Including physical disabilities but exploring issues around pain mental disability and invisible disabilities this edition explores more varieties of bodily and mental experience New histories of the legal social and cultural give a broader picture of disability than ever before Now available for the first time in eBook format 978 0 203 07788 7
