Symptoms of Withdrawal Christopher Kennedy Lawford, 2024-04-16 At last the first memoir from a Kennedy family member an inspirational candid and explosive personal story sure to be one of the most sensational bestsellers of the year Christopher Kennedy Lawford was born to enormous privilege But with fame money and power came tragedy and heartbreak In this clear eyed sensitive and compulsively readable autobiography he breaks his family s long held silence to a rare glimpse into the exclusive worlds of both Washington politicians and the Hollywood elite during the socially turbulent 1960s and 1970s As the first born child of famed Rat Pack actor Peter Lawford and John F Kennedy s sister Patricia Christopher Lawford was raised in Malibu and Martha s Vineyard with movie stars and presidents as close family members and friends But this little boy who learned the twist thanks to private lessons from Marilyn Monroe would grow up to become a spoiled adolescent with a near fatal jones for heroin and alcohol With deep sincerity Kennedy sets the record straight sharing many never before told stories about the good the bad and the ugly in his life including the deaths of his uncles his parents divorce and its effect his hard fought struggle to overcome addiction his long lasting sobriety his acting career and his relationships with his famous cousins and his own children Surprisingly frank Kennedy pulls no punches as he tells us what it s really like to be a member of America s first family
