Experiencing the World's Religions Michael Molloy, Richard Curran Trussell, 2001-07-01 *Religious Organizations and Democratization* Tun-jen Cheng, Deborah A. Brown, 2015-03-26 Since the terrorist attacks on 9/11 the political roles of

religious institutions and groups have captured international attention This book examines how religious institutions and organizations in various Asian countries are influencing democratic development and the shaping of government policies Religious Organizations and Democratization covers Taiwan Hong Kong Mainland China Korea Thailand the Philippines Malaysia Indonesia and Japan The chapters specifically address the engagement of Christian Buddhist Muslim and other religious organizations in the advancement and or hindrance of democratization in the region The contributors consider such questions as Why have some religious organizations played a decisive role in democratic transitions while others remained politically dormant and other still acted in conservative alliances to block democratic development Why did some religious organizations that once were active and instrumental to democratic change lose their political vitality as soon as civil liberties were successfully introduced And why did other religious organizations irrespective of their roles in the process of democratic transition emerge as key political forces in the civil society

Experiencing the World's Religions Michael Molloy, 2008 Provides an account of religion as a diverse lived experience by peoples around the world This book conveys the vitality and richness of the world's religions as a living cultural wellspring that concerns systems of belief and how those beliefs are expressed in ceremonies food clothing art architecture pilgrimage scripture and music

Confucianism as a World Religion Anna Sun, 2013-04-21 Is Confucianism a religion If so why do most Chinese think it isn't From ancient Confucian temples to nineteenth century archives to the testimony of people interviewed by the author throughout China over a period of more than a decade this book traces the birth and growth of the idea of Confucianism as a world religion The book begins at Oxford in the late nineteenth century when Friedrich Max Müller and James Legge classified Confucianism as a world religion in the new discourse of world religions and the emerging discipline of comparative religion Anna Sun shows how that decisive moment continues to influence the understanding of Confucianism in the contemporary world not only in the West but also in China where the politics of Confucianism has become important to the present regime in a time of transition Contested histories of Confucianism are vital signs of social and political change Sun also examines the revival of Confucianism in contemporary China and the social significance of the ritual practice of Confucian temples While the Chinese government turns to Confucianism to justify its political agenda Confucian activists have started a movement to turn Confucianism into a religion Confucianism as a world religion might have begun as a scholarly construction but are we witnessing its transformation into a social and political reality With historical analysis extensive research and thoughtful reflection Confucianism as a World Religion will engage all those interested in religion and global politics at the beginning of the Chinese century

The Legacy of Wilfred Cantwell Smith Ellen Bradshaw Aitken (1961-2014), Arvind Sharma, 2017-03-15 First work to address the legacy of Wilfred Cantwell Smith and his influence on the development of religious studies and Islamic studies in the twentieth century This is the first work to address the legacy of Wilfred Cantwell Smith 1916-2000 whose intellectual and institutional contributions helped shape the field of religious studies in the latter half

of the twentieth century As a young scholar Smith taught Indian and Islamic history in Lahore for several years and witnessed the partition of India Upon his return to North America he obtained his PhD at Princeton University before embarking upon a long and distinguished career He founded the Institute of Islamic Studies at McGill University and served as director of the Center for the Study of World Religions at Harvard University Smith emphasized the place of the scholarly study of Islam in the Western academy long before Islam occupied its current position at the center of global politics challenged the notion of monolithic world religions and argued for the importance of dialogical processes and a personalist approach to the study of religion Contributors to this volume many of whom were Smith's students provide a wide ranging exploration of his influence and legacy

Experiencing the World's Religions Michael Molloy, 2020-08-03 Religions speak in symbols fire cloud hills and high places darkness and light incense candles colors Religions though perhaps love water best Buddhists use water for blessing Hindus purify themselves in rivers Christians undergo baptism in water as a rite of initiation Followers of Islam and Shinto cleanse themselves with water before prayer Water means change purification and new beginnings Because water can signify so much to us it is the major symbol of this book By studying many religions we also hope to be cleansed and brought to new life This book was written for my students Keeping their needs in mind I have tried to provide what is essential and to present it in clear language I want to talk about doctrine and practice Yet I also hope to show some of those things that have captivated me religious music art and architecture I want to show my respect for all religious traditions both in a scholarly and an approachable way Finally I hope to invite students not only to read about religions but also to experience them firsthand It is like the difference between reading maps of a country and then actually traveling on its roads and seeing its sights Experience brings the prize
