A Realist Analysis

**ROY NASH** AND EDITED BY **HUGH LAUDER**

# Explaining Inequalities In School Achievement

**Lucinda Platt**

## **Explaining Inequalities In School Achievement:**

Explaining Inequalities in School Achievement Roy Nash, 2016-04-15 Inequalities in educational opportunity have been a persistent feature of all school systems for generations with conventional explanations of differences in educational attainment tending to be reduced to either quantitative or non quantitative list theories In this groundbreaking book Roy Nash argues that a realist framework for the sociological explanation of educational group differences can and must be constructed A move to such an explanatory framework will allow us to take into account the social influences of early childhood development the later emergence of social identities and the nature of the social class impact of educational and career decision making By building on the critical analyses of the theories of Bourdieu Boudon and Bernstein this book makes a vital contribution to the current policy and theoretical debate about the causes of educational inequality

**Explaining Inequalities in School Achievement** Roy Nash, 2016-04-15 Inequalities in educational opportunity have been a persistent feature of all school systems for generations with conventional explanations of differences in educational attainment tending to be reduced to either quantitative or non quantitative list theories In this groundbreaking book Roy Nash argues that a realist framework for the sociological explanation of educational group differences can and must be constructed A move to such an explanatory framework will allow us to take into account the social influences of early childhood development the later emergence of social identities and the nature of the social class impact of educational and career decision making By building on the critical analyses of the theories of Bourdieu Boudon and Bernstein this book makes a vital contribution to the current policy and theoretical debate about the causes of educational inequality

*Understanding Inequalities* Lucinda Platt, 2019-05-29 Bringing together the most recent empirical evidence and the latest theoretical debates this fully revised new edition gets to grips with a broad range of inequalities in people s lives Examining social class gender ethnicity disability and migration status it demonstrates how these play out in relation to education health poverty neighbourhood and housing and how they cumulate across the life course Richly illustrated with figures and concrete examples showing the distribution of life chances across social groups the book demonstrates how people s lives are structured by inequalities across multiple dimensions Comprehensive topical chapters are framed by an exploration of the meaning and interpretation of inequalities and a discussion highlighting the important intersections between them With new chapters on disability and international migration this updated edition continues to provide a wide ranging but detailed and theoretically sophisticated account of contemporary inequalities that will be invaluable to undergraduate and masters students alike
