Experiencing The Psalms Weaving The Psalms Into Your Ministry And Faith:

Experiencing the Psalms Stephen P. McCutchan, 2000 Many Christians do not know how to utilize the wisdom of the Psalms Drawing upon more than thirty years of pastoral ministry the author offers a fresh approach to integrating the Psalms into the life of the whole church He not only illustrates practical ways to utilize the Psalms in liturgy and preaching but also suggests ways to use the Psalms in pastoral care The Psalms can become the framework for examining current ethical problems and for providing self care for clergy McCutchan examines the Psalms with these goods in mind and confronts the issue of the harsh language of the psalms suggesting that this language may well be the key to helping believers bring their whole lives to the worship of God Experiencing the Psalms can be used as a resource for the congregation that seeks to bring the language of spirituality to the lives of the believers This book provides an effective strategy for clergy who want to help their members cope with their pain and share their joys in all aspects of their lives **Words to God, Word from God**

Howard Neil Wallace, 2017-07-05 The psalms challenge and sustain us in a number of ways and in times of new challenges to the very fabric of the church to its faith and its values we need to re examine these ancient prayers and songs This book explores the place and function of the psalms in Christian prayer preaching and worship Examining the dual nature of the psalms as both words to God and word from God the author brings together the historical experience of the church biblical studies and theological reflection to focus on the application of the psalms in contemporary Christian life A number of individual psalms are explored in terms of what they have to say about prayer or what theological issues they raise for contemporary life This book encourages a reclamation of the psalms in the private and public prayers of the church and in the preaching of the word **Out of Babylon** Walter Brueggemann, 2010 Explores the Old Testament's prophetic cry against materialism consumerism violence and oppression *Old Testament Introduction* Mark Mangano, 2005
