Student Names:

	3 - Exceeds Grade Level Expectations	2 - Approaching Grade Level Expectations	1 - Below Grade Level Expectations
Organization	My writing has a clear introduction, body paragraph(s), and conclusion. Each paragraph has 3-5 sentences. Each of my paragraphs directly states the main idea/topic being discussed in that particular paragraph.	It is not easy to tell where my paragraphs start and end. Only some of my paragraphs have 3-5 sentences. Only some of my paragraphs have a main idea/topic in each paragraph.	I did not understand how to format my five paragraph essay. Most of my paragraphs only have 2 sentences. There is no theme to each paragraph.
Content	My writing makes sense. It has many details that help the reader imagine what I am describing. I did a great job researching information.	My writing mostly makes sense and has some details. I forget to compare and contrast in every paragraph.	My writing does not make sense and/or has few details. I did not compare and contrast the two animals.
Voice	It sounds like me giving information about my plant or animal. You can hear my voice and tell I am interested in what I am writing about.	It sounds like me in parts of my writing. It is pretty clear that I did not choose animals that I cared about.	I don't sound interested in what I am writing about.
Word Choice	My writing painted a picture in the reader's mind with strong word choices (powerful verbs and adjectives).	I used just a few interesting words. My words were mostly simple and not intriguing/interesting to the reader.	I used very simple words and repeated many words throughout.
Fluency	My sentences flow from one to the next one starting differently, so that there are a variety of sentences.	Sometimes my sentences are a bit choppy or too long. My paper included too many simple and run-on sentences.	The sentences are all too short or all too long. The story does not flow when read aloud.
Conventions	I used correct capitalization, punctuation, grammar, and spelling. I used my own sentences when crafting a factual sentence.	Most of my sentences have uppercase letters, punctuation, correct grammar, and few spelling errors. I mostly used sentences from the website when typing my essay.	My writing is missing many uppercase letters, punctuation, and has many grammar and spelling errors. I copy and pasted all of my facts into my essay.
Presentation	My brainstorm, draft, and final copy look clear, neat, and polished. You can tell I gave my personal best!	My handwriting is legible but could be better (draft/brainstorm).	My work is difficult to read (draft/brainstorm).
