Exploits And Adventures Of Brigadier Gerard New York Review Books Classics:

School for Love Olivia Manning, 2013-01-29 A brilliantly perceptive classic historical fiction novel of an English boy's coming of age among a group of vividly portrayed expatriates in 1945 Jerusalem New York Times Jerusalem in 1945 is a city in flux refugees from the war in Europe fill its streets and cafés the British colonial mandate is coming to an end and tensions are on the rise between the Arab and Jewish populations Felix Latimer a recently orphaned teenager arrives in Jerusalem from Baghdad biding time until he can secure passage to England Adrift and deeply lonely Felix has no choice but to room in a boardinghouse run by Miss Bohun a relative he has never met Miss Bohun is a holy terror a cheerless miser who proclaims the ideals of a fundamentalist group known as the Ever Readies joy charity and love even as she makes life a misery for her boarders Then Mrs Ellis a fascinating young widow moves into the house and disrupts its dreary routine for good Olivia Manning's great subject is the lives of ordinary people caught up in history Here as in her panoramic depiction of World War II *The Balkan Trilogy* she offers a rich and psychologically nuanced story of life on the precipice and she tells it with equal parts compassion skepticism and humor

A Savage War of Peace Alistair Horne, 2006-10-10 The Algerian War lasted from 1954 to 1962 It brought down six French governments led to the collapse of the Fourth Republic returned de Gaulle to power and came close to provoking a civil war on French soil More than a million Muslim Algerians died in the conflict and as many European settlers were driven into exile Above all the war was marked by an unholy marriage of revolutionary terror and repressive torture Nearly a half century has passed since this savagely fought war ended in Algeria's independence and yet as Alistair Horne argues in his new preface to his now classic work of history its repercussions continue to be felt not only in Algeria and France but throughout the world Indeed from today's vantage point the Algerian War looks like a full dress rehearsal for the sort of amorphous struggle that convulsed the Balkans in the 1990s and that now ravages the Middle East from Beirut to Baghdad struggles in which questions of religion nationalism imperialism and terrorism take on a new and increasingly lethal intensity *A Savage War of Peace* is the definitive history of the Algerian War a book that brings that terrible and complicated struggle to life with intelligence assurance and unflagging momentum It is essential reading for our own violent times as well as a lasting monument to the historian's art

The Widow Georges Simenon, 2008 *The Widow* begins with the chance encounter of two outcasts One is the widow herself Tati Still young she hasn't had an easy time of it even if she's not about to complain She lives with her father in law on the family farm putting up with his unwelcome attentions working her fingers to the bone improving the property and knowing all the time that her late husband's sister is scheming to seize it and drive her away The other is a killer Just out of prison and in search of a new life Jean meets up with Tati who hires him as a handyman and then takes him to bed Everything goes swimmingly until Jean develops a liking for the girl next door
