Elmtown's Youth and Elmtown Revisited August de Belmont HOLLINGSHEAD,1973 Freaks, Geeks, and Cool Kids
Murray Milner,2013-10-18 Freaks Geeks and Cool Kids argues that the teenage behaviors that annoy adults do not arise from hormones bad parenting poor teaching or the media but from adolescents lack of power over the central features of their lives they must attend school they have no control over the curriculum they can t choose who their classmates are What teenagers do have is the power to create status systems and symbols that not only exasperate adults but also impede learning and maturing Ironically parents educators and businesses are inadvertently major contributors to these outcomes
