Marcus, like his mother, is from the world of the fae and is only half human. At first Marcus thinks Tory is crazy, but then he realizes that Tory has tiny horns; she

is a satyr He then reluctantly asks what his non human half is Tory tells him that he s half bird that soon he will start to develop wings and that when he does his fae powers will emerge To prove her story to Marcus and to show him where he s really from Tory takes him to the world of the fae where they soon discover that an ancient artifact a staff used long ago to close the portals between the many worlds has been stolen Marcus and Tory along with their friends must find the Staff of Cyntheyrin before it can be used to reopen the portals It seems like a straightforward task but things may not be as they seem in this other world *Talking Book Topics* ,2017-07 *Eloise's Last Wish* Chris te Lindert,2022-08-02 This novel written in five parts tells the story of Eloise a very young Melbourne girl who went to stay with an older friend and work in Smithton Tasmania to avoid the shame of being an unwed mother and possibility of being forced into an abortion by her own family to protect their reputation When her son Michael was born after a few short months she knew that she did not have the means to keep him And that to take him back to Melbourne would mean a permanent separation from her family Michael was adopted by a loving childless couple and grew into a loving father himself Eloise thanks to the letters she received from her friend in Smithton was able to stay informed about the good life he was enjoying thanks to her most difficult decision to give him up Despite her ongoing sadness as she matures she meets a very gentle man Arthur and they marry and have a daughter of their own In turn her daughter Penny has three children of her own the youngest of these Charlotte is very close to Eloise and at times lives with her With the support of his parents Michael makes two attempts to meet his birth mother but is unsuccessful as Eloise fears the judgments of others should his existence be revealed Instead she leaves a letter addressed to Charlotte in her bookcase telling her the truth and hoping that she will be the bridge between the two families And so Charlotte begins a journey of discovery about her extended family **The Complete Book of 1910s Broadway Musicals** Dan Dietz,2021-05-26 The 1910s shaped the future of the American musical While many shows of the decade were imports of European operettas and even original Broadway musicals were influenced by continental productions the musicals of the 1910s found their own American voice In *The Complete Book of 1910s Broadway Musicals* Dan Dietz covers all 312 musicals that opened on Broadway during this decade Among the shows discussed are *The Balkan Princess* *The Kiss Waltz* *Naughty Marietta* *The Firefly* *Very Good Eddie* *Leave It to Jane* *Watch Your Step* *See America First* and *La La Lucille* Dietz places each musical in its historical context including the women s suffrage movement and the decade s defining historical event World War I Each entry features the following Plot summaryCast membersCreative team including writers lyricists composers directors choreographers and producersOpening and closing datesNumber of performancesCritical commentaryMusical numbers and the performers who introduced the songs Numerous appendixes include a chronology discography filmography Gilbert and Sullivan productions Princess Theatre musicals musicals with World War I themes and published scripts making this book a comprehensive and significant resource *The Complete Book of 1910s Broadway Musicals* will captivate and inform scholars historians and casual fans about this influential decade in musical theatre history [Braille Book Review](#)
